ALLIANCE FUND.

Will the pastors please remind the deacons of the various churches of their duty, lest they should forget, to be sure and collect the Alliance Fund from each member? We will greatly need it this year. Let us have a good large fund this year. Begin early. Don't put it off till the last moment. It is only twenty-five cents for each member. The pastors can greatly aid in this matter.

Please do not forget it, brethren.

CHARACTERS FROM ST. JUDE.

These are murmurers, complainers, walking after their own lusts; and their mouth speaketh great swelling words, having men's persons in admiration because of advantage. People who grumble at all men, and all things, finding fault with God and all his providential dispensations; persons whom neither God nor man can please.—Dr. Adam Clarke.
