MRS. COLIN HARVEY AND FAMILY.

Mrs. Mary H. Hickson.

We regret very much to learn of the death of Sister Mrs. Mary H. Hickson, which took place at the home of her son at Paris, Ont., where she had gone to spend the winter, expecting to return to her cottage at Beulah Camp Ground early in the spring. Sister Hickson was a loyal and active member of the Methodist denomination, but of the Wesleyan type, as she was a believer in the double cure for sin, and enjoyed and testified at every opportunity to the definite experience of entire sanctification as a definite second work of grace. She was one of a company of sisters who have been regular attendants at Beulah Camp Meeting for many years. One by one they have been called home until only a few remain. Mrs. Hickson will be much missed at Beulah, last summer probably being the most enjoyable she ever had.

We also note the death of Brother Cogswell, whose fellowship we have enjoyed at Beulah for several years at the camp meetings and during the summer.

"What man is he that feareth the Lord? Him shall he teach in the way that he shall choose. His soul shall dwell at ease; and his seed shall inherit the earth."

THE HIGHWAY SUPPLEMENTARY FUND.

This is an opportunity for the best investment we know of because—

1st. It is not to establish a new and uncertain undertaking, but to make permanent that which has succeeded, and has stood the test for thirty-four years, and is in full operation as a welcome worker in over a thousand homes, and a rich blessing to several thousands of readers, scattered from New Brunswick to Vancouver, and from Maine to California, and finding its way far over the seas.

2nd. It makes twenty-six thousand visits a year. It is our worker. The quality of its work is approved by many thousands of the best people on earth. It stands the test twice a month.

And we repeat that we know of no way of accomplishing so much real good with so small an investment. Take time to think it over, then send the amount of your investment to S. A. Baker, editor and business manager, Moncton, N. B.

Let every pastor take this matter up with his people. The Highway is the property and organ of our churches. Every Reformed Baptist should be alive to its success. Let us show our colours, and our real unity by unity of action, and let it be immediate action.

If it requires sacrifice, so much the better. People don't get blessed until they feel the sacrifice.

The ladies expressed their thanks and appreciation of the kindness shown. Refreshments were served by the ladies.
