REPORT OF THE CORRESPONDING SECRETARY OF THE GENERAL MISSIONARY SOCIETY

Dear Brothers and Sisters:

As another year has rolled around and we again meet in our Annual Missionary Meeting, we feel a deep sense of gratitude to our Heavenly Father for his protection during the year. Truly the Lord has been with us in a marvelous way, protecting our dear missionaries on the foreign field and giving them success in their work. We have also seen how God can lead us on as we trust him for greater things and the fact that our new missionaries have arrived safe at the mission station should give us in the homeland an inspiration to work as never before as they will need our prayers and all the help we can give them.

We are glad to note the interest that has been taken in this branch of our work and we believe the visits to our churches by our dear sisters before going to Africa will continue to be an inspiration to us.

We read in God's word, "The harvest truly is plenteous, but the labourers are few; pray ye the Lord of the harvest that he will send forth labourers into his harvest." The following is a report of the different societies.
