

MISSIONARY CORRESPONDENCE.

Hartland P. O.,

Natal, S. A.,

June 3rd, 1921.

Dear Highway Friends:

We are glad to tell you that we are happy in this far-off land. The Lord is good to those who trust in Him. We have fallen in love with the hills and mountains which surround us, and feel a real love in our hearts for these natives of Africa.

When we look for miles in all directions and realize that these hillsides are peopled by those to whom the light of the gospel can only come through the missionaries' efforts and prayers of God's people, it makes us eager to get the language and be at our best for Jesus in this land to which he has called us. We remember with gratitude that many prayers are going up daily for us, and these natives too, are praying that we may soon speak to them in Zulu. Our hearts are encouraged in the Lord, and we are enjoying our study. Faith, too, is enjoying teaching us. You can imagine us every morning in front of the house, plugging away at Zulu. Dear ones, prayer on this line will mean much to us.

I very much enjoyed visiting a kraal with Faith one Sunday. We walked about a mile across the fields and hills and crossed the Intombi river. It was quite a large kraal and neat in appearance. The hut in which we had service was "swept and garnished" and I was very favorably impressed with my first kraal visiting experience. It did not seem so strange after all, to crawl in the little door, and sit on the straw mat while they gathered around for service. I felt the Lord's presence very near us as Faith talked from Luke 15, and was so thankful that the Lord had truly called me here. I enjoyed the Zulu hymns and Faith translated their testimonies and also for me. How we long to speak directly to them. We left, feeling that the Lord had been with us and spoken to hearts. Helen, Judson and Miriam had service in the little church here. Paul and George were at outposts.

We are learning to ride donkey back. Our first experience was very thrilling. We went with Faith and the children for an outing to Red Cliffs, about three miles from the station. We crossed the Intombi river twice, and it really took courage to stay in the saddle while descending the banks and mounting the steep. We got along fine, however, and were much encouraged by this African adventure, for one must learn to ride here. It was a beautiful spot, and we enjoyed seeing this new view of Africa among the rocky cliffs and by the running water.

Dr. and Mrs. Sanders are feeling the good of their much needed rest and we hope they will extend their vacation, for it will mean so much to them. The dear Lord is taking good care of us all in every way. He is able to do more than we can ask or think, so we are looking up and Jesus is satisfying our souls. We praise him for this with all our hearts. This is "Big Sunday" and we hope for a real refreshing from the presence of the Lord, though we do not understand all that is said. We are sorry to report a lack of mail for three weeks. Hope for letters in tomorrow

night's mail, they are so welcome.

We are not forgetting the camp meeting in our prayers. Hope to hear of great blessing upon pastors and people.

Yours in Christian love,
ALICE F. STERRITT.
