THE OLD YEAR AND THE NEW.

Only a few busy months changes the New Year into the old year. More swiftly passing as we near the end of the way. The past year has been filled with restlessness among the nations of the world.

Religiously it would be quite difficult for us to give any idea other than so far as we have observed, and speaking generally we can only say the churches seemed to have all they could attend to in running the great number of the organized departments without devoting much time or energy in definite soul saving.

and testing people in their loyalty in supporting the cause of Christ.

THE NEW YEAR.

The glimmer of the coming day is just appearing and indistinct rays are beginning to give hopes of better financial conditions, and a more settled state of business.

Religiously, we make our resolves and we may make our plans, but our past experience teaches us that we need to wait the call and direction of our great leader. Looking unto him to lead us to the conflict and certain victory, remembering it is for us to be one with him, and follow as he leads.

“Lead me Saviour, lest I stray, Gently lead me all the way.”

If our plans miscarry, be assured the fault is ours. We have run before in our haste. We have listened to men more than to the Holy Spirit.

The new year's success does not rest on men's plans, or schemes, but on our knowing and following the mind of the Holy Spirit. Let us remember he is still here on earth, and the declaration has not been recalled—“I will pray the Father and he shall give you another Comforter, that he may abide with you forever.”

PLEASE DON'T FORGET.

Don't forget—to sign your communications for publication in the Highway. We do not publish anonymous letters nor initialed articles unless we know them.

Don't forget to look at the label on your Highway and if not correct please notify us. One brother found that we had credited him a year ahead, the only one we have known, but it shows that we might make a mistake.

Don't forget—that we need all our readers whose dates are not up to 1922—marked 22 to renew.

Don't forget—to make a New Year resolution to be among the foremost in supporting the publication of the Highway, and of our missionary work.

Don't forget to pray for the unity of the Spirit among all of our people. This will save us from many heart aches, and of doing violence to the cause of holiness and grieving the Holy Spirit.

Don't forget—that here is danger in “resisting the Holy Spirit,” “Grieving the Holy Spirit,” and of “Quenching the Holy Spirit.” It would be exceedingly sad to have either of these happen.

Don't forget—that holiness people talk much, pray much and sing much about the Holy Spirit. We should do all reverently as He is always present. We fear sometimes that his presence is overlooked.

Don't forget—that you are talking unscripturally when you say a brother or sister is a Holy Ghost man, or a Holy Ghost woman. Please note that the Bible is very reverent when it speaks of the Holy Spirit. No person has any right or authority to apply such to people.

Don't forget—that convictions neglected, and truth rejected lose their point, light and force to the rejector. These are the work of the Holy Spirit, and the declaration is, “My Spirit shall not always strive with man.”

Don't forget—your vows to God. It is better not to vow than to vow and not fulfill it.

Don't forget that our Lord said, “No man having put his hand to the plough, and looking back is fit for the Kingdom of God.”

Don't forget—that if we want a happy New Year we must be prompt and diligent in all of our service to God. Thus “seeking first the kingdom of God and his righteousness and all needful things shall be added to us.”

Don't forget—“To give diligence to make your calling and election sure.” How shall we escape if we neglect so great salvation?

Don't forget—Beulah and Riverside Camp Meetings will take place on July 1-10 and August 4-13, 1922. This is none too early to begin to think about it, and to pray for the greatest meetings ever held at these places, and to pray that wisdom may be given us in all of our plans in the great work entrusted to us.
