

MINISTERS AND CHURCHES.

We are glad to note that Rev. H. S. and Mrs. Mullen are doing excellent work at Perth and at Four Falls, N. B.

Brother T. W. Moses surely possesses a living spring of praise in his soul. Every time you meet him, and every favor he receives, his first words are, "Praise the Lord." A number of years ago Brother Moses was working with another brother, and while driving a nail, he hit his finger with the hammer, and he shouted "Praise the Lord!!! Brother Moses is working on a hard-scrabble circuit, but he keeps praising the Lord. He is the kind of man you like to help.

Rev. I. F. and Sister Keirstead are among our hardest workers and they don't confine themselves to their circuit at Royalton and vicinity. During the last three months Sister Keirstead has been quite ill and unable to get out to the services. Their circuit has been hard hit in the drop of the potato market. Any help given them toward paying for their new parsonage will be highly appreciated.

Brother and Sister Baker gladly report a steady improvement in their health.

Don't forget that Brother Baker is still the missionary treasurer, and all missionary money should be sent to him addressed to Moncton, N. B., by Post Office Money Order, Postal Notes, Registered Letters or Express Orders or Checks. Add 15 cents to the amounts of the checks for Bank charges.—S. A. B.

Rev. P. J. Trafton spent Monday night, Oct. 3rd, with his son in Fredericton on his way to Woodstock. Sister A. H. Trafton also spent from Friday till Monday, Oct. 6th to 9th, in Fredericton on her way to Woodstock. They have rented their home there for the winter and will reside at Norton, Kings Co., where Brother Trafton has accepted a call to become pastor of the church.

We are glad to note that Brother Hilyard is having success in St. John and trust that the coming special services will be times of blessing.

Sister Slipp writes that the services at Jonesport are good. The prayer meetings especially are times of refreshing. The quarterly meeting held there lately was a great blessing to the church, and they were very thankful to the brothers and sisters who came for their spiritual help.

We are sorry to learn that Brother H. S. Mullen, of Perth, met with a very serious accident lately. But we are very glad no one was killed. It seems that he was driving home after meeting on Sunday evening, 8th inst., having Sisters Christian Hudson and Miss McCrea with him, when he was run into by an auto driven by a party of young men and women, with the result that Brother Mullen and the sisters were thrown from the carriage and bruised. The horse was killed and the carriage broken into pieces. It is only by the Lord's care that they escaped with their lives. Particulars probably later.

We are pleased to learn of the times of refreshing in Royalton Church from Sister Keirstead, also of rich blessing from Brother Robson Gibbs, of St. John. The Church is being blessed in preparation for the coming evangelist.

PERSONALS

We are glad to report an encouraging improvement in the health of Sister A. G. Good, of Moncton, who has been confined to her bed for several months.

All will be interested in the letter from Brother Paul Sanders, especially our young men of his age, and more particularly where he mentions his visit to his father-in-law, and his hunt after large game, which we presume were used to feed the large number who attend that missionary school, for nothing goes to waste among those natives.—S. A. B.

A very close call—Brother A. Hazen Steeves, Sister Steeves and son, Charles, and their niece who was visiting them, were crossing the Petitcodiac Bridge on the evening of the 7th when their carriage was struck by an automobile and literally smashed up, throwing Brother and Sister Steeves out against the side of the steel bridge. Their escape from broken bones or fatal injuries was quite miraculous, but they were considerably bruised and lamed by their experience.

The W. C. T. U. delegates from Moncton who attended the Provincial Convention held at Woodstock, were delighted with their visit and the hospitality of the W. C. T. U. ladies and others they met while there. The W. C. T. U. ladies are women of courage and sterling loyalty to the best interests of the homes of every land, and should be strongly encouraged by all.

Brother H. C. Archer expects to remain at Beulah until about the 16th inst. He has spent a very pleasant summer there in the work, both temporal and spiritual.

W. R. Carson and wife spent the week end, Sept. 30th, with their daughter, Mrs. Gillis, in Fredericton.

Evangelist L. J. King spoke in the Reformed Baptist Church at Fredericton Saturday and Sunday nights, Sept. 30th and Oct. 1st. Great crowds filled and overflowed the building.

Brother J. F. Bullock has undertaken and carrying on quite extensive work at Beulah which will make a great improvement and make the grounds and Tabernacle and Hotel more beautiful than ever. The weather has been very favorable for the work. Surely we have in Brother Bullock and his beloved mother, true friends, to whom the denomination is greatly indebted, as also his sainted father. To God be all the glory!

A card from Brother Alley says that the Woodstock Church expects to have an all-day meeting on Friday, Nov. 3rd, the anniversary of the organization of our denomination, and extends an invitation to all to attend.

THE HIGHWAY.

In looking over our list of subscribers we find that quite a number are in arrears. We are endeavoring to pay our printers each month, as we have so far done. But now we are in need and make this appeal to the friends of the Highway that they help us. We know they will. The label on the paper tells what is due from each one. The pastors can assist us by bringing the matter before their churches and soliciting new subscribers. We very heartily thank those who have responded so far. Please send money by either Post Office Order or by Postal Note as this is the safest way. Address us here at 745 George St., Fredericton, N. B.

Your humble servant,

W. C. T. U. CONVENTION AT WOODSTOCK, N. B., OCTOBER 3 TO 6.

The W. C. T. U. Convention which was held at Woodstock, from Oct. 3rd to 6th was indeed a very helpful and inspiring meeting. Delegates were present from all over New Brunswick and P. E. Island. The afternoon sessions were held in the school room of the Methodist Church, and in the main auditorium in the evening. Members of all the different congregations were present at the services, and the singing, lectures and all were much enjoyed by those attending. A very pleasing and noted affair was the singing of two choruses, by 40 little children, from 4 to 8 years of age, from the four churches of the town, under the direction and leadership of Mrs. Jack Daye, of Woodstock. This was greatly enjoyed by all, and a vote of thanks from the Union was tendered her.

There is surely a great work to be done along temperance lines in our country, and may God help us to stand firm and true and help to push the battle against the great evil, which is destroying so many in our land today. Join with us in helping to fight this great evil.

W. C. T. U. Worker.

Mrs. Batstone was in India for 20 years as a missionary, gave a very interesting address in which she related some of the striking incidents of the experiences of the early work of herself and family.
