

MINISTERS AND CHURCHES.

Rev. H. S. Mullen reports his work at Meductic as very encouraging, and of an upward tendency.

Sister Keirstead gives a very encouraging report of the work at Roylton.

Our missionaries had a great Christmas feast for the natives. About 500 natives were present.

Dr. Sanders baptized 8 persons the Sunday before Christmas and received them into the church. Two of his own children, Charlie and Norman, were included in the number.

Rev. S. H. Clark, Calais, Me., says: "This is a busy week, good congregations Sunday.

Tuesday evening ladies of the congregation met at the parsonage to work on quilts for Beulah. Wednesday evening, prayer meeting, good number present, one backslider reclaimed. Thursday evening, pastor spoke at Salvation Army at St. Stephen, N. B. Friday evening, Pastor's and Mrs. Clark's Bible Classes met at the parsonage to practice singing and class business. In spite of all hinderances God is blessing the work."

The reports from the churches are very cheering. Seal Cove, Grand Manan, is full of good cheer. St. John Church is having good meetings despite the continued sickness of Pastor C. S. Hilyard, who is reported as improving. Woodstock moving along with good courage.

Evangelist F. W. Foster has closed a successful meeting at Plaster Rock, N. B., and is now holding a union meeting of the Methodist and Reformed Baptist Churches. From here he goes to Lower Brighton.

Rev. P. J. Trafton went home on Feb. 6th. He did good work at Moncton. The church was much refreshed. Some who were backslidden were reclaimed, some professed entire sanctification, some from other churches were at the altar during the services.

Wood Island Church is talking of holding their dedicatory service during the quarterly meeting of the 3rd district to be held March 2-5 at Seal Cove, Grand Manan.

Sister M. Ella Slipp says: I am as busy as usual and our work is going on very well. We have a service tonight (10th) at West Jonesport. I love the work of the Lord, and I am glad to be in the service of the King.

Sister Helen Sterritt, of South Africa, says: I did a lot of sewing during the week of Christmas for the natives. We had a nice Christmas. We gave presents to a number of native workers, that we see quite often. We also bought a goat to help out for the native Christmas feast. Paul and Ruth also bought one. We each paid 10 shillings.

Dr. Sanders says: Monday, Dec. 26th, was a big day; eight goats were slaughtered; between 400 and 500 natives were present. We had good services the Sunday before. Large crowds and eight were baptized.

"Steady brain work in time wears the brain, but fretfulness, worry, envy, jealousy, anger and hatefulness tear the brain."

PERSONALS.

Brother Robson Gibbs says: Today (Feb. 3rd) is the 12th anniversary of my crossing over into Canaan. Praise the Lord for his great kindness to me, in dealing with me, so I was enabled by his grace and long-suffering to consciously and decisively say yes, I'll go if it kills me; praise the Lord I came up on the other side all right, better of a thousand times than on the wilderness side. Even today we shout about it and glory over the enemy because of deliverance.

Brother Noah Hicks, of Lower Millstream, N. B., spent Sunday, 5th inst., in Moncton.

Brother Bliss MacQuarrie, of St. John, N. B., spent Sunday, the 5th inst., in Moncton.

Sister David Scoville, Cedar Lake, N. S., says: My trust is in him who never fails.

Trusting as the moments fly,
Trusting as the days go by,
Trusting him whate'er befall,
Trusting Jesus, that is all.

We appreciate the loan of a book of Rev. John Wesley's sermons, printed in 1829, by Rev. G. A. Sellar, of Albert, N. B. Brother Sellar has been a regular reader of the Highway for many years and speaks very kindly of it. He says: The semi-monthly visits of the King's Highway are most welcome, and much appreciated in our home, and we always find it clear and sound on the good old Wesleyan doctrine of entire sanctification.

Dear Brother Baker:

You will find my renewal for the Highway enclosed. I am always glad when it comes, as I hear from the brethren. It gladdens my heart to hear of the dear Lord working and souls being saved. Jesus said that he would not leave nor forsake those who put their trust in him. I am glad to say that the precious blood of Christ cleanseth from all sin. Glory to his precious name, and I intend to go through at any cost.

Yours in Him,

D. H. HAYES.

Mercer, N. B.

Dear Brother Baker:

Please find my renewal for the Highway. I love its clean pages, and the testimonies, and the lessons I receive from reading it helps me wonderfully. I look for it each time; it is next to my Bible to help me to keep the faith and live right.

Yours for Jesus,

MRS. GEORGE JONES.

Millenocket, Maine.

Dear Highway:

God is still blessing us. I opened to this comforting verse, "If ye continue in the faith grounded and settled, and be not moved away from the hope of the gospel, which ye have heard, and which preached to every creature which is under heaven."—Col. 1-23.

"But ye, beloved, building up yourselves on your most holy faith, praying in the Holy Ghost, keep yourselves in the love of God, looking for the mercy of our Lord Jesus Christ unto eternal life." Jude 20-21.

I have found out that we can only be kept by the Holy Ghost. T. W. MOSES.
