### CORRESPONDENCE.

Dear Friends:

A word from us. We have pretty well recovered from our sickness of flu and pneumonia. Our meetings are good. April 9th, Sunday evening, eight were at the altar, some for conversion, one backslider, three were for the Baptism of the Spirit, some were definitely baptized, one young man being prostrated. Thursday evening three backsliders were at the altar and one received the baptism of the Holy Spirit. Easter Sunday evening three backsliders were at the altar and one sinner and two were out for the baptism of the Holy Ghost. All got through. Amen. Pray for us. Our address after May 1 will be No. 1 Carleton St., St. John, N. B.

Yours for the battle,  
C. S. HILYARD.

33 Metcalf St., St. John, N. B.

Some of these folks who have got victory have been backslidden for years.

Dear Worker together with Him:

Greetings in the name of Him who hath washed us from our sins in his own precious blood.

Once again a month has rolled away and we are approaching our monthly fast. Just think, Jesus says: "If two of you agree on earth as touching anything which they shall ask, it shall be done for them of my father which is in heaven."—Matt. 18-19.

On every fast day about 85 souls are looking to God in real heart yearning, holding one another with all their burdens up to a throne of grace.

"We share our mutual woes,  
Our mutual burdens bear,  
And often for each other flows,  
The sympathizing tear."

Oh, brother, sister, if you could just read the letters with their requests for prayer, for help spiritually (some are in great trouble) for help mentally, for help physically (some are keenly suffering under the lash of disease). What a privilege to know that someone is praying for us in that dark place, what a privilege to pray for that other fellow in his dark hour. Praise God for that privilege.

What a privilege to be on our knees pleading for the church of Jesus Christ, that great revival power will sweep through her again. Oh, for a getting back wholeheartedly to the Spirit inspired fundamentals, especially that blessed doctrine of a fire-baptized entire sanctification. How God blesses such a getting back.

Says Wesley: "I found out the plain rea-

son why the work of God had gained no ground in this (Launceston) circuit in all the year. The preachers had given up the Methodist testimony. Either they did not speak of perfection at all or they spoke of it only in general terms, without urging the believers to go on unto perfection, and to expect it every moment. And wherever this is not done, the work of God does not prosper." "Indeed, this I always observe, wherever a work of sanctification breaks out, the whole work of God prospers."

Let us dear ones get back to the old foundation. Let us pray for the breaking out of a work of sanctification. Let us pray for it on our districts, in our Sunday Schools, in our Missionary Societies, in our Prayer Services, in our Bible Study Classes, in our regular services, in the opening up of new fields, and first of all in our hearts.

"O, that He now from heaven might fall,  
And all our sins consume,  
Come Holy Ghost for Thee we call,  
Spirit of burning come."

Oh, brethren, faith has ears, flesh cannot see and faith hears the roar of approaching torrents, "sounds of abundance of rain." Are we agreed? Not how much faith have you? Get your eyes off anything in you. Are we agreed? He says, "Ask, it shall be done."

It is coming, oh, Hallelujah!

Meet at the throne again, this time let us plead under the burden, fasting and praying the whole week, April 24-30.

Read Luke 11:1-13. Let it soak away down into your heart. Read it every day all that week. Memorize it. Get hold of its promises. "God is coming, shout the word along the line."

Yours for the revival,  
CHARLES V. FAIRBAIRN.

Dear Highway:

A line from us tonight just to tell you we are still saved and enjoying salvation. We thank God for his love and watchfulness over us up to the present time. A year has passed and it has come around to the time when we as preachers are resigning either to receive a call again or stay where we are or to go elsewhere. We have resigned here on this field, have received a call from the church at Perth and have accepted and expect to be through here when this year has expired.

These are hard things for us to do naturally. We have enjoyed our stay here with these people and we have learned to love them. Our labors we believe have been appreciated.

We thank God for what has been done since we came here. We of course would like to have seen more. The membership has been increased considerable and we are expecting to see others who have already got through and got sanctified wholly themselves with us. They are one with us anyway for holiness makes people one. We are also looking to God to give us a generous revival here this spring in our special effort once more for souls. We covet your prayers, dear readers.

We also thank God that the debt on the church here at Meductic has been cut in half, only \$453.00 due on it now. Again God has given us a real nice little parsonage here and it is all paid for, praise the Lord.

Somebody among our brethren will be getting a call to come take up this work. Don't say no unless you feel sure God says it first. This is a good field. People are falling in line with holiness and beginning to realize that without it no man shall see the Lord.

I think all of our brethren who are planning to move and are open for a call should put it in the Highway, so the clerks will know who to call. If God puts this field on any brother's heart, write Mr. J. Hillman, Meductic, York Co., N. B., about it; he'll appreciate it.

We ask your prayers, beloved, for our special meetings. Dates are as follows:

Meductic, April 23-May 7.

Greenbush May 11-28.

Middle Southampton June 1-18.

Rev. W. W. Howe, St. John, Evangelist.

All who can come, do so. We expect a feast of good things. Come enjoy it with us.

Yours truly,  
H. S. AND MRS. MULLEN.

Meductic, N. B.

Dear Brother Baker:

I want to report victory in my soul. Jesus is real to me. We are having some great meetings here at present. Brother Archibald is preaching for us and we are very glad to have him with us. He is a man of God and preaches the truth.

I am enclosing renewal for the Highway. We enjoy it very much. Praise God from whom all blessings flow.

Your sister in Christ,  
MRS. ESTHER L. BEALS.

Beals, Maine.
