

## MINISTERS AND CHURCHES.

Rev. S. A. and Mrs. Baker returned home on the 11th from a two weeks visit to Toronto. Mr. W. H. Olds supplied for Brother Baker on Sunday, the 5th inst. The people were much pleased with the services.

Sister Keirstead held her first communion service at Royalton on Sunday, Nov. 5th, which was attended by over twenty of the Lord's children, Brother Keirstead being away to Gordonsville and Knowlesville in services there. The brethren at Royalton are building a barn at the parsonage and hope to finish it before the winter sets in. If any one wishes to give any money to aid them, it will be most thankfully received, as both pastor and people have done nobly in building a parsonage and now a barn. Well done, Royalton!

The Woodstock Church commemorated the 34th anniversary of their organization on the 3rd inst., and had a good time in the Lord. Brothers Keirstead and Lester were present. Brother Alley expects to have Brother Foster to assist him in some special services.

Brother H. S. Mullen is abundant in labors for the Lord. He had successful work at Crystal, at Perth in raising funds to pay for their hall, also sent us a new subscriber for the Highway.

We wish every pastor would send in a new subscriber. Come along, brethren. Who will follow? The Highway needs one hundred right now. The Editor cannot make "bricks" without you supply the "straw"—as he is only your servant, and the Lord's.

## THE HIGHWAY.

In looking over our list of subscribers we find that quite a number are in arrears. We are endeavoring to pay our printers each month, as we have so far done, but now we are in need and make this appeal to the friends of the Highway that they help us. We know they will. The label on the paper tells what is due from each one. The pastors can assist us by bringing the matter before their churches and soliciting new subscribers. We very heartily thank those who have responded so far. Please send money by either Post Office Order or by Postal Note as this is the safest way. Address us here at 745 George St., Fredericton, N. B.

Your humble servant,  
W. B. WIGGINS.

## AN ORDINATION AT ROYALTON.

On October 26th, in the Royalton Reformed Baptist Church, Sister I. M. Keirstead, according to the Resolution of the Alliance, was ordained to the gospel ministry.

The order of service was as follows: Scripture reading and prayer by Rev. I. F. Keirstead.

Sermon by Rev. E. W. Lester from 2nd Timothy 2:15, "Study to show thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the work of truth."

Brother Lester also asked the usual questions, offered the ordination prayer, and extended to the candidate the right hand of fellowship.

Benediction by Rev. I. M. Keirstead.

We also had a service in the evening, when Rev. E. W. Lester again brought a helpful message from Psalm 46:4. The work here is still going on; some have recently been reclaimed and others sanctified through the labours of Brother Lee Good, while the writer was away visiting the Millville circuit.

Yours in the fellowship of the gospel,  
I. F. KEIRSTEAD.

## WOODSTOCK REFORMED BAPTIST MISSIONARY MEETING.

The Woodstock Reformed Baptist Missionary Society held its regular meeting on Friday evening, Oct. 13th. The President, Mrs. Mutch, in opening the meeting, spoke feelingly of the loss of one of our members, Mrs. Henry McLean, and asked that the sorrowing ones be remembered in our prayers.

After the opening exercises, the Willing Workers' Class, Mrs. O. R. Estey, teacher, rendered the programme.

Solo and chorus by Mrs. Rogers and W. W. Class.

Reading by Mrs. Alley.

Instrumental Duet, Mrs. Viva Watson and Mrs. MacCollum.

Solo by Mrs. Howard London.

Reading, Mrs. Frank Watson.

Instrumental Duet, Miss Brown and Mrs. Watson.

This was followed by a cantata in which Mrs. Mutch's class and a number from two of the Junior classes assisted. The cantata very beautifully illustrated the need of missionary effort. It showed that if the Sunday School stood true and firm along missionary lines, by giving money from its treasury, and workers from its ranks, it would tremendously help in this branch of the Lord's work.

The programme reflected great credit to Mrs. Estey, as organizer of the effort and skill in those who so carefully assisted.
