

## MINISTERS AND CHURCHES.

Rev. W. W. Howe has to go to Millstream, Kings Co., N. B., in his work for a few weeks. Ten have been at the altar so far. He requests prayer for his work. He also expects to hold services at Lower Southampton, York Co., when he gets through at Millstream; and also at Island Falls. He has received calls to be pastor from Seal Cove as also from Island Falls, Me., but expects to remain as an Evangelist for another year.

We are glad to learn of the good meetings at Victoria Corner. There has been a good interest from the beginning, with a good attendance. Over seventeen have claimed victory over sin, up to the time of writing, and we trust many more will be blest. Brother Lee Good, the evangelist, is a very earnest worker and is well liked and God is blessing the united work of evangelism, pastor and church.

The revival services at Marysville have been very successful. Up to the time of writing seventy-five seekers have been at the altar and most of them finders of salvation. Rev. P. J. Trafton assisted Pastor H. S. Dow for a few days after Brother and Sister Mullen left, and Rev. C. S. Hilyard was helping in the work last week, as also Sister Christian Hudson was helping in special songs. We hope to have a full report of the services later.

Rev. H. C. and Mrs. Archer left Moncton on the 20th inst. for their cottage at Beulah Camp Ground. He will look after the painting of the front of River View Dormitory.

Rev. A. H. Trafton is paying a visit to his home at Woodstock, N. B. His son, Rev. P. J. Trafton, accompanied him for a few days.

Rev. H. S. Mullen and Mrs. Mullen, who have been assisting Brother Dow at Marysville for several weeks, are home again. Brother Mullen reports that the work at Perth is progressing. They have good services, good congregations and a good Sunday School.

Lower Brighton, a part of Rev. E. W. Lester's circuit, is reported as progressing in spiritual things. They have blessed prayer meetings, being well attended and seasons of spiritual help. All the services are good and Brother Lester is giving them grand service.

Licentiate Stillman Mullen, who supplied for Rev. H. S. Mullen at Perth, has gone to N. S. for a visit to his home.

Rev. L. J. Alley, who attended the quarterly meeting at Seal Cove, has returned to Woodstock. He gave the right hand of fellowship to two members on Sunday, the 15th inst.

We are very glad to learn that Rev. S. H. Clark's health has improved and that he is ready for more hard work. Both Brother and Sister Clark have given seven years of faithful service at Calais, and we believe the blessing of the Lord has attended their labors.

If you serve the devil he places his stamp upon you in the form of a dissipated life, a ruined character, a lost soul. If you serve God He places His stamp upon you in the form of a Spirit-filled life, a sanctified character, a saved soul.

## PERSONALS.

Miss Eugene Taylor, R. N., granddaughter of G. G. Grey, of this town, has returned to New York safely after having a most enjoyable tour of England, France and Italy.

The evangelistic services at Victoria Corner have been attracting large crowds. Many from Hartland were over Sunday. They will continue the same as in the past, every night except Monday, three times on Sunday, 10.30 a. m., 3 p. m., 7.30 p. m.—Carleton Observer of April 12th.

Brother G. B. Nixon has moved from Hartland to his farm at Somerville, across the St. John river from Hartland.

We were very sorry to learn of the injury received by Brother Fred Clark, of St. John. He had very badly fractured his leg by an injury received during his work some time ago, but had fully recovered. And now by a slip on the street he has fractured it again and will be laid aside for weeks.
