

MINISTERS AND CHURCHES.

Moncton Church services are good. The presence of Brother and Sister Wiggins and Brother and Sister Archer gives added strength and refreshing. Our Sunday school is also well attended, especially by the children; three of them walked nearly three miles and home again to attend. Among the little ones on the 25th were two pairs of twins. A good suggestion in raising money for the Lord's work came to our notice last week. A brother who tithes and uses his tithes for church and missions, gave us a surprise. A payment and the interest came due on the re-modelling of the church, and the pastor announced the need of money, and quoted Paul as saying "he desired not a gift but fruit." This brother practices giving "tithes and offerings," and thus unknown to even his wife, had laid aside \$200. This sum he divided with his wife and each brought the fruit of his offerings. This stimulated others to action, and \$500 was paid to the treasurer which enabled him to reduce our obligations \$600. We give this as a suggestion to our churches. God's provision is tithes and offerings.—S. A. B.

While Brother and Sister H. S. Mullen, of Perth, are at Marysville, assisting Brother Dow in special services, Licentiate S. A. Mullen will supply at Perth.

The special services began at Marysville on the 25th inst., with good prospects of victory.

The special services at North Head that began on the 18th inst. will continue until March 11th. We trust that much good will be done.

Rev. W. W. Howe is home in St. John at present ill with the common colds from which many are suffering now. In a short time he will be ready for calls to work.

The church at St. John have invited the next quarterly meeting of this District to meet with them, the first service beginning March 15th at 7.45 p. m. All delegates and pastors intending to come are requested to drop a card early to Mr. G. Springer Cosman, 31 Queen Square, St. John, who is chairman of Committee.

A. L. BUBAR, Clerk.

Rev. C. S. Hilyard's health is reported as back to normal. His services in the church and his preaching much appreciated by his congregations which are large, especially at the Sunday evening services.

A letter from Hartland says that Brother Lester is much liked by his people. Congregations not large, but meetings are good.

QUARTERLY MEETING.

The 2nd District Quarterly Meeting will convene with the St. John Church, Carleton street, March 15th, at 7.30 p. m. and will continue to Sunday evening, the 18th. The churches on the district will please appoint their delegates and also send written reports of their churches. We are expecting a good attendance and much blessing in the services.

Brother Charles Grant, accompanied by some singers, conducted service at the Municipal Home near Woodstock on Sunday afternoon, the 18th inst.

Miss Gladys Jones, of Fredericton, is staying with Mrs. Fred Bragdon, of Meductic, for the winter.

Mr. and Mrs. Mont Stiles, of Fredericton, on Feb. 14th left for Norwalk, Calif., where they will be the guests of Mr. and Mrs. H. E. Story for several weeks.

Mrs. Ada Brown, of Lower Brighton, N. B., spent a few days with her nieces, Misses Edith and Mabel Brooks, in Houlton, Me., lately.

Miss Eugenie Taylor, R. N., granddaughter of Brother Geo. G. Grey, of Hartland, N. B., recently sailed from New York for a tour through Great Britain and possibly the Continent. She will be in company with a wealthy patient, with whom she has been engaged for some time.

We are sorry to learn of the death of G. Hedley Maxon, of Port Huron, Mich., as referred to in another column. We deeply sympathize with the bereaved ones, especially his mother, Mrs. John Maxon.

We are every sorry to learn as we go to press of the death of Mrs. Lorenzo Watt of North Head, Grand Manan. She was indeed a lovely Christian sister and noble woman, as many of God's ministers can testify. Brother and Sister Watt's home was indeed a truly Christian home. We unite with others in deep heartfelt sympathy for Brother Watt in his great loss of a loving companion.

Mrs. (Rev.) C. S. Hilyard has been confined to her bed by sickness for several weeks.

Brother Robson Gibbs in a recent letter says: Might we not know more often of the needs of our missionaries and their plans for advancement of work through the Highway. I presume the editor tells all he knows. The better way is to correspond with the missionaries direct. He also asks, is the Hospital to be undertaken? Yes. What state is our funds in? The funds for salaries are coming in well, but nothing for buildings. We are always open for building funds.

Sister Belyea, of Hartland, says: I often think the different churches could send more gifts if they only knew what to send; it must be a help and a blessing to get gifts from the homeland. It is pleasant indeed, but their general needs are met by their salaries, as ours are, but a family of young people always enjoy the gifts from the homeland. The churches are giving continually to supply salaries, which is highly commendable. But there are "tithes and offerings." Sister Belyea also asks, Can you tell us the name of our native worker which we are supporting. Well, I will find out if you will promise to pronounce his name after you get it.—S. A. B.
