Dear Brother Wiggins:

Please find my renewal for the Highway. We enjoy its clean pages so much.

My testimony tonight is, Jesus is very precious to me these days. I find Him a present help in every time of need. Praise His name forever! I love Him. He satisfies every longing. I am so glad I have learned to trust Him. He saves and keeps. Glory to his name.

MRS. T. DICKINSON.

Dear Brother Wiggins:

Glad to report victory in this portion of the vineyard. Rev. and Mrs. Perley Briggs and family are nicely settled in the parsonage and are very much liked by all the people, and we trust the church will be strengthened and God's work grow in a wonderful way through their labors.

Yours in Him,

MRS. ALEX. ROGERS.

Dear Brother Wiggins:

Sister M. Ella Slipp is a good preacher and worker; she surely preaches with the Holy Ghost sent down from Heaven and is a great inspiration to us both in church and Sunday School and in the homes also. She is a worthy handmaiden of the Master. Our number is small now. We miss Brother and Sister Sterritt from church and Sunday school very much.

Only a few to bear the burden, but we are praying and believing for souls. We have wonderful seasons of refreshing from the Lord in our meetings. We are looking to the Lord for a great revival in this place. Please pray with us to that end. I am as ever,

Your brother in Christ,

S. H. BRADLEY.

Dear Brother Wiggins:

I enclose the balance of my subscription to the Highway Supplementary Fund. I am very thankful to God for providing me with it that I may send it for this Fund.

I have no evil report to bring. I awoke this morning with these words, "Beautiful life with such a Friend, Beautiful life that has no end; Eternal life, eternal joy; He's my Friend."

Jesus said: "Be thou faithful unto death, and I will give thee the crown of life." I remain,

Your brother washed in the blood of the

Lamb,

T. W. MOSES.

Dear Brother Wiggins:

Enclosed you will please find my renewal for the Highway, which is a very welcome guest at our home. Just want to testify that Jesus saves and keeps; praise His dear name!

Dear Brother Wiggins:

A few lines again from the work at Sandford which closed as special effort on Sunday, Dec. 2nd. We began, with Brother Howe assisting, on Nov. 18th, and held 18 services in all. The Lord's blessing was upon the work from the start and souls began early in the meeting to get straightened out with God. There were seekers in every service, I think, some getting converted, some reclaimed and others professing to be sanctified wholly.

Brother Howe preached well, and sweet fellowship with him was enjoyed throughout by both pastor and people. There were two baptized on the last Sunday and others to follow later. The church was much strengthened and encouraged to press the battle for the salvation of souls and the sanctification of believers.

We are glad to report that the interest has not ceased with the close of meeting. To God be all the glory for all that was accomplished and we pray for grace to walk in the light shed on our pathway. We anticipate another meeting in the new year.

Yours for souls,

L. T. SABINE.

Dear Highway:

A few lines at this time wishing to thank the St. John Church through the Highway for all their kindness to both my wife and me. Since I have been here a number of the brothers and sisters met at our home on Oct. 5th and after enjoying prayers and a pleasant evening left my wife with \$40, for which we are so grateful to God for all his blessings to us in the past. I went home for ten days in November and on Nov. 21st about thirty-five of the church people met at our home again for a cottage meeting. After enjoying some good music and scripture reading by the pastor, Brother Sears, and prayers and testimonies they again presented us with \$31 in cash, and the ladies brought cake, etc. Words fail to express our thanks to these dear people for all their kindness. How I did enjoy myself, to get back to the church again and enjoy four meetings and see a number of my friends. I am feeling quite well again. The church at St. John is in a good condition with Brother Sears as pastor. They have a praying band of about 27 numbers and a good Sunday school. I praise God tonight for His saving and keeping power, and I find the way is growing brighter; so glad I have found the better way. Again thanking the St. John Church for their gifts and prayers. May God bless them all is my prayer. I remain,

Your brother in Christ,

NORMAN SHARP.

Dear Highway:

Our services are continuing as seasons of refreshing. Our last prayer meeting was about double in size and power. Truly we are having the blessing of God upon us. The young people are getting to work, and two were saved in their meeting in Sunday afternoon. Yesterday was a good day amongst us.

On Sunday evening, Nov. 25th, we held a memorial service for Brother Hartt. His relatives from Jacksontown were present, as well as a large congregation. The choir sang the hymns Brother Hartt loved so well, namely, "When mine eyes beheld the King," "No disappointment in heaven," "The home of the soul," etc. God added His blessing to the service and three were at the altar seeking the blessing of sanctification. Truly a great man has left us. It seems to me we are not developing strong, rugged characters today like these saints of God. If any, they are very few. But thank God, their works do follow them. A great number in the meeting stood to the test of sanctification, showing that the doctrine which Brother Hartt brought to New Brunswick is still preached and experienced by a large number.

Brethren, I am persuaded that folk want a reality, and are opposed to a sham. If we keep on fire, the young people's problem will be solved. A backslidden holiness church is the nearest nothing on earth. No wonder Christ says, "I will spue you out of my mouth." Let us keep so hot for God and holiness that we can be useful in His service.

Yours in the fight,

Woodstock, N. B.

Dear Highway Readers:

I enjoy so much reading the Highway and hearing from you all. Thought I would send in a few lines and let you know I have victory in my soul. Although the enemy is on our track, yet I know we have an Almighty God who says "fear not, neither be dismayed for I am with thee;" and I believe it. Bless His name. He comes near me these days when I go in prayer and gives strength and faith to hold on to Him for souls out in sin and darkness. Glory to His name. We are still praying for a revival, and I am believing too. I believe our Heavenly Father wants us to have one and He will give us one when the conditions are met. He is just the same, and we must have things God's way. He is waiting to do us good. Glory! I feel it in my soul. Satan will try to allure by glitter and glow, and promise the young people a good time, but these perishable things will soon pass away and be gone forever. I want something eternal and lasting. Don't you? Wishing our beloved Editor success.

MRS. J. H. SABEAN.
