

CORRESPONDENCE.

Dear Brother Wiggins:

It has been some time since I wrote to you, but now I feel I must write you a few lines to let you know how the work is going on in this part of the field.

Our meetings have continued good since Brother Hewson left us and souls have been getting help in our regular services. Some have been saved and others sanctified, for which we give God the glory, and take new courage. The greatest need of the day is more definite Holiness preaching, that shows people that Regeneration alone is not enough, but they need to be sanctified wholly as a second definite work of grace.

The Church here at North Head has given us a unanimous call to remain as pastor another year. However, after much prayer we believe God would have us go to some other place. So we trust that God will open up the way if He wants us to labor in some other part of His Vineyard. We also pray that God will send the right pastor to this Church, as we do not like to leave the people here without a pastor.

We are looking ahead to Beulah time and expecting and praying that it will be a good camp meeting.

We enjoy the Highway and think it is one of the best holiness papers published.

Wishing you every success in your work, I remain,
Yours in Him,
HARTLEY E. MULLEN.

Dear Brother Wiggins:

Wife, baby and I are well and we praise the dear Lord for that. Our testimony is that Jesus saves and keeps, praise His dear name!

Enclosed find money order for renewal of the Highway.

Yours in Jesus' Name,
THOMAS WOLVERTON.

Dear Brother Wiggins:

Just a line today to let you know that Jesus saves and sanctifies. I am glad that I have this victory through Christ.

We are now in the midst of a revival here at school. Souls are getting saved and sanctified.

I am sending you these few thoughts that I have written out and if you find room in the Highway, all right, and if not just cast them into the waste paper basket.

I am looking forward to the meetings at Beulah. May the Lord bless the work in Moncton.

Your brother in Christ,
G. A. ROGERS.

Dear Brother Wiggins:

I am enclosing postal note for renewal of The Highway; the balance for the Highway Fund. I enjoy reading its clear pages very much. I do enjoy the privilege of meeting with God's people on account of ill-health. I thank the Lord for his care over me the past winter, and that He is not confined to any one place. So I praise Him today that He saves and keeps me, by His power, and never leaves nor forsakes His children who put their trust in Him.

Yours in Christian love,
MRS. MARY DOANE.

Dear Friends:

Just a few lines to you through your paper at this time, as I am always glad to get The Highway, to see reports from different places. We have just closed our District Assembly at Lynn. We had a good time; good preaching by Dr. R. T. Williams, our General Superintendent; also E. J. Flemming, of Kansas City. We are having Dr. R. T. Williams at E. N. C. this week; trust God for a mighty revival. Amen! Well, the Lord is blessing the work at Walham; we just closed a special meeting with H. V. Miller and G. Gardner, of New York, as workers. Brother Miller did some strong Holy Ghost preaching and Brother Gardner led the singing. Sixteen bowed at the altar for reclamation, regeneration or sanctification; others under conviction but did not yield. The ark is coming up the road. We are looking forward to our camp meeting at North Reading, Mass., praying for a mighty Holy Ghost revival.

Sorry to hear that Brother Briggs has resigned at New Tuskett, but trust that the Lord will fill the gap. I pray the Lord's richest blessing upon the Highway readers.

Your Brother in Christ,
ALFRED GRANT.

Dear Highway:

I enclose my renewal for The Highway. I am glad to say that the Lord is blessing me. I have been very sick for five weeks or more with the "flu," but thank the kind Heavenly Father for His great care and love over me; I find He is a Father that is always near us when we need Him, if we do His will. Another year has gone by, making five years since I got hurt, and though I have been shut in, yet it only seems a few weeks, for the dear Lord has been with me all the time, and keeps me so happy every day. I do not know what I would do without Him; He gives me such peace and contentment when things come to me to bear. I am glad to read in the Highway of so many people getting blessed, and that He is blessing His people everywhere; I trust that everyone that gives Him their heart will live for Him and not for the world, so many are going that way. I am glad, too, to see that the Lord is blessing our missionaries in Africa; I do pray that He will help them to win souls for Him and bless and keep them.

Jesus is all and in all to me, and I mean to be true to Him to the end.

One of His children,
BESSIE McAVITY.

Dear Brother:

I enclose herewith money order for \$3.00 renewal for The King's Highway for two years. My testimony is that Jesus is exceedingly precious to me. He walks with me day by day and I praise Him for His promise: "My presence shall go with thee and I will give thee rest."

Yours in Christ,
B. M. GRAHAM.

The next Quarterly Meeting of District No. 1 will be held at Fort Fairfield, Me., on Thursday, May 31 to June 3. We hope that many, especially the ministers, will try to be present. I would add that we are expecting to have Bro. Lee Good with us over Sunday, May 27th.

Yours in Christian Love,
MILDRED TODD, Sec'y.
