

MINISTERS AND CHURCHES.

Rev. I. M. Keirstead preached at Royalton on the 24th and conducted a communion service.

We are glad to notice that the Quarterly Meetings at both Seal Cove and Grey's Mills were seasons of blessing.

Rev. M. Ella Slipp, the pastor at Grey's Mills, has held services during the summer at Holderville on Sunday afternoons and they have been blessed with the presence of the Lord.

Rv. P. J. Trafton is at present at Westchester Station, N. S., holding some special services, and the Lord is blessing the work and souls are being saved.

Rev. A. H. Trafton is supplying for him at Fredericton.

We are very sorry to learn of the very serious illness of Rev. T. W. Moses and his wife of Pembroke, Me. It is very doubtful if he will recover as the doctor says it is cancer of the bowels. But Brother Moses is happy in Jesus and says "the anchor holds."

Rev. W. W. Howe spent Sunday, the 14th inst., at Lower Hainesville, where the church has been greatly helped from the special services he held there lately.

WHERE ARE YOU GOING, WHAT ARE YOU GOING TO DO?

These are the questions now being practically asked of us. About all we can say is, these are dependent on the will of the Lord concerning us, and our physical health, but our plans which we have in mind are:

If weather conditions, and our health improves sufficiently, we expect to visit Grand Manan for a brief time when we get ready to leave Moncton, and possibly one other brief visit, after which we expect to go to Toronto for the fall and winter or longer, but if all comes in order we expect to be at Beulah about June 1st, 1925.

The second question, What are you going to do? Well, I want to do enough to keep my connection with our work and people. And so I have decided to continue to be the missionary treasurer, at least to the end of my term, as I can do the work at Toronto as well as at Moncton, or any other place. This will be my only employment and will give me a chance to keep in touch with our people, and with our missionaries and with this department of our work. I will give our address through the Highway of the 30th inst. My address is still 394 Lutz street, Moncton, N. B.

ITEMS.

While work was being done on the Riverside Tabernacle, three prayer meetings were held in different cottages with good interest. One old lady gave her testimony for the first time and a young woman was reclaimed. A Wednesday night prayer meeting has been established. Prayers are requested for these.

Sister Cecile Ireland has left for Vancouver. May the Lord bring her home safely next summer in time for the Camp Meetings.

PERSONALS.

We are glad to learn that Brother I. A. J. Ward, of Hartland, who underwent an operation in the Hopsital at Woodstock, is gaining in strength and keeping wonderfully saved.

Murray Brown, of Lower Brighton, has been visiting at the parsonage at Royalton and assisted in the work on the Tabernacle at Riverside, Me.

I received a very kind note from Brother Elias H. Porter, of Anaheim, Calif., but formerly of Port Maitland, N. S., in which he says he is enjoying his usual good health and the blessing of the Lord.

Mrs. A. G. Good and Miss Mabel Good, of Moncton, spent two weeks very pleasantly at North Head, Grand Manan, the guests of Rev. H. C. and Mrs. Archer.

Miss Lois C. Goodspeed, of Fredericton, attended the Quarterly Meeting at Grey's Mills.

RIVERSIDE TABERNACLE.

It became very necessary to have the roof of the Riverside Tabernacle shingled. It was thought at first it could be repaired, but the workmen found many of the boards decayed, which had to be replaced, some of the rafters were broken also; so we put men on who have done good work, and it looks splendid. The old saw-dust was removed and put on the road. It has taken 73M shingles, averaging about \$4.00 per M.

An offering was taken during the Camp Meeting for this purpose and pledges were given.

We would be glad if all would pay their pledges as soon as possible, and we would like to make an appeal to others to help at this time. These shingles should be paid for right away.

I have already received: Offering at Riverside \$30.73 Mrs. Cecile Ireland 25.00 Mrs. I. F. Keirstead 45.00 Mrs. M. Doak 5.00 A Friend 5.00 Mr. Charles Jones 3.00 Mr. Harry Burt 1.00 Karl Keirstead 1.00 Eugene Keirstead 1.00

REV. W. B. WIGGINS, Treasurer 204 Bonaccord St., Moncton, N. B.

OUR LATE BROTHER WM. BENSON.

Dear Highway: I wish to briefly express my sympathy with our dear Sister Benson and family in their time of sorrow. Personally I was so sick myself at the time of his death that I knew nothing about it. Brother Benson and Brother and Sister C. B. Harvey were among my closest friends, and I have been so sorry to be unable to visit them during their sickness. But I am expecting long and glorious ages in the 'place' prepared by our Lord for his faithful followers.

The blessed example of a life of about thirty years of devoted Christian living is a richer legacy to the family and the community than any amount of material wealth. No gold so valuable as this. "I counsel thee to buy of me gold tried in the fire, that thou mayest be rich." This is true wealth.

God bless the family, the church and the community.

I had the privilege of seeing this dear brother converted, sanctified, and baptized him, and received him into the church, and I have always esteemed him highly as a very faithful and loyal member during his happy and victorious life.
