There is a difference between self-will, and God's will, and self-interest and the interest of the cause of Christ.

There is a vast difference in a drive, and the spirit of true leadership after Christ's method, first partaker of the fruit.—S. A. B.

To preach from a text; the distance one gets away from it, may be determined by the length of the sermon. In the same way one may preach from the gospel of Christ, and be a long way from it when he gets to the end.—S. A. B.

## PRAYERS REQUESTED.

Sister Robert Barr is still very ill. Her physician has ordered perfect quiet in bed for three months, as she has had heart trouble. She is courageous, and enjoying victory in her soul, and the anchor holds. Let all the Highway family unite in prayers of faith for her recovery. She is greatly needed in the work of the Lord.

Our Sister Morrell would still covet the earnest prayers of God's dear children in her behalf. She is weak in body but strong in spirit and of great faith, and looking up for the fulfilment of His promise to make her every wit whole. We believe the Lord has work for her to do.

Let us all pray daily for these dear sisters whom we love.—I. M. K.
