**CORRESPONDENCE.**

Dear Brother Wiggins:

We are writing to tell you about the work here of late. We began revival meetings on Jan. 10th with Brother M. E. Baker as evangelist. He labored with us five weeks, God blessing the work; and we saw some results that we believe are lasting. We would liked to have seen more get helped during these services, but we do thank God for the **ones who earnestly sought and found Jesus as their Saviour.** After these meetings closed Brother Baker went to Wood Island Church to preach the Word of God there. God has again honored His word and during the services there over a score of souls have found Christ as their Saviour or Sanctifier. We believe God is in our midst and pray that His blessing may still abide with each of His children.

Yours in Him,

HARTLEY E. MULLEN.

Dear Highway:

Just a few words concerning the special services held at Port Maitland, Feb. 3-17. Rev. W. W. Howe was with us the while and his preaching was blessed of God in bringing consciousness of the need of salvation to many. History again repeats itself in that only a few responded to the call of God and found his promise to be in him, yea and in him amen. We all felt the meetings should have continued, believing that greater results would follow, but someway Brother Howe considered to leave us and go elsewhere. We still feel this was a mistake. There will be a baptismal service later on.

However we rejoice for all that was accomplished, for the church was encouraged in the Lord.

We enjoyed a good day over the circuit yesterday. The longer we stay with these dear people the more we enjoy laboring with them. They are trying to secure another pastor as we expect to be leaving this year.

Next Sunday I hope to spend with the church in New Tusket where I always meet an appreciative audience. The Lord richly bless them in their earnest effort to sustain the work at that point.

Personally we thank God for an over-

coming faith and experience of victory. Glory to Jesus for such a wonderful salvation.

Yours in the Master's service,  
L. T. SABINE.

Dear Brother Wiggins:

I am mailing you a check for the amount due on the King's Highway. We enjoy reading it very much. The Lord is blessing and keeping us. He is our helper in every time of need. We are looking to Him for constant victory in our lives that we may be a blessing to others.

Yours in Christ,  
MRS. PARKER W. KINNEY.

Dear Friends:

Mrs. Annie Hopkins, formerly of Jacksonville, Car. Co., N. B., wishes to tell her friends through the Highway that she is living at present with a niece, and her address is Colrain, Mass., care of H. L. Caulkins. She is not able to write much these days and would be very happy for a word of greeting from any of her old friends in the faith.

Sincerely,  
MAUD K. CAULKINS.

February 28th, 1924.

Dear Brother Wiggins:

I send my renewal for the Highway and for missionaries. My testimony is, "I am praising the Lord for full salvation each day."

MRS. CHARLOTTE SCOVIL.

Dear Brother Wiggins:

I enclose the renewal for the Highway. We love to read the testimonies of the saints, and to learn of the good work going on.

Yours with brotherly love,  
PHILIP B. HURLBERT.

Dear Brother Wiggins:

We wish to remind you that we have not forgotten the Highway and its readers. We are enjoying salvation these days and find the way grows richer and brighter every day. God has wonderfully blessed our souls during the past few months and we are still pressing on to richer and deeper experiences. Praise God for His wonderful love and care over us all.

We look forward to the Highway's coming and simply devour its pages. So glad to read the reports of victory in the churches. Chester and I are both looking forward to getting home and into the work again. We are enclosing an order for twenty-seven dollars. You will please credit to the Waterville Church.

Yours for the Master,  
MRS. MILDRED B. CULBERSON.

Dear Highway:

We are very glad to report that the Lord is still blessing us in the work here. We have just closed the quarterly meeting of this district and it was a wonderful time of power and blessing. The blessing of Entire Sanctification through the baptism with the Holy Ghost was strongly emphasized and it bore fruit in many seeking for the blessing. We certainly did appreciate the presence of our brethren in the ministry and the delegates who attended.

The spirit of revival is still on the church and we are trusting that it will continue. We ask the prayers of God's people that we may be able to care for the lambs of the fold and feed the flock of God. We must be true to the principles we stand for and God will honor us. Keep on praying. Yours for Holiness through the sanctification By the Spirit of God in the destrtuction of the carnal mind as a second definite work of grace.

P. J. TRAFTON.

Dear Brother Wiggins:

Enclosed is a P. O. Order for my subscription to the Highway Supplementary Fund. The Highway is the paper of my choice. I praise the Lord for His keeping power.

WM. P. NIXON.

Dear Brother Wiggins:

Enclosed please find check for Highway renewal which expires this month. We love its clean pages and don't want to miss one issue of it. We are quite well and feel like praising the Lord for His loving care and tender mercy to us. Truly His ways are ways of pleasantness and all His paths are peace.

Yours in His service,  
MR. AND MRS. OTIS W. AMES.

**PERTH CHURCH FUND.**

Dear Highway Readers:

In a former issue of the Highway, you have noticed that I made a plea for the church here at Perth. I said we needed about \$600 to complete repairs and pay off the debt.

We have received a little as you see below, but very little so far. We sincerely thank those who have contributed, but it seems to me there could be more if you had a mind to do so. I would not ask for help if we had a lot of our own people here to contribute.

The people here have contributed remarkably well. But listen! I ask you Highway readers, how many of you want to see souls saved at Perth? All over the country I see hands raised. Very well! Let us rally then and send the money to pay the \$600 required, giving it for the glory of God, and see if the bread which we cast upon the waters does not return. We are being blessed of the Lord and souls are being saved. Pray for us, and also see if you cannot spare from one to twenty-five dollars to help us in our present need.

Previously received and acknowledged .....
