

MINISTERS AND CHURCHES.

The Church at St. John has been much blessed under the ministry of Brother L. J. Sears, the present pastor. During his stay with them many difficulties have been removed and a spirit of blessed fellowship prevails, and he is leaving the church in a good condition. He would stay with them, but he feels the task is too great, under his present condition of uncertain health. The church is looking for another pastor who can still bind us more firmly together in holy love.

Rev. L. T. Sabine has gone to Springfield, Mass., for a few days, taking his son for an operation on his eyes. Sister Sabine has not regained her health fully as she is unable to do any work as yet. The Lord has wonderfully sustained our brother amidst the trials.

He baptized three persons at Sandford on the 11th inst., and gave the right hand of fellowship to four new members. He expects to have baptism at Port Maitland on June 8th. Brother Sabine preached three times to large congregations at New Tusket on Sunday, the 18th inst., and there were several seeking salvation and the interest seems good. He has received a call as pastor from the New Tusket Church, which he has accepted, and will labor there the coming denominational year.
