

that satisfies; he can keep us from all the sin we are surrounded with. Praise his dear name; Jesus is precious to me; he saves and keeps. Glory to his name.

Your sister in Christ,
MRS. HATTIE E. YORK.

Dear Brother Wiggins:

Just a few lines to let you know that our services on this field are good and the tide is rising. We received three new members into the Meductic Church. I am sending you a list of those who have contributed to the Meductic Church Fund:

Mr. and Mrs. Vernon Beckwith.....	\$10.00
Mr. and Mrs. P. W. Briggs	12.00
Mrs. Alex. Rogers	1.00
Lic. George Rogers	1.00

If every member of our denomination would send us one dollar towards this fund we could clear this church of debt and no one would feel the burden very much; but if it is left to a few, it will be quite a heavy burden. I wish the pastors of the different churches would bring this matter before their people and encourage them to send us a donation for this fund. Brethren, you can greatly assist us in this way and help bear our burden and so fulfill the law of Christ, send your gifts to P. W. Briggs, Meductic, York Co., N. B.

Dear Brother Wiggins:

Enclosed you will find my renewal for the Highway for another year. It is just twenty-five years ago this month that I first subscribed for it. And I can truthfully say that I am just as eager and anxious to receive every copy as I was when I first subscribed for it. I also want to add my testimony for the saving and keeping power of Christ. He is very precious to me these days.

Yours in His service,
MRS. EVA DOYLE.

Dear Brother Wiggins:

I have been taking much pleasure in reading the last issue of the dear Highway, and I always look forward to it till I get it, it surely is food to my soul. I am glad that I am walking in the King's Highway of holiness and purity, and without it no man shall see God. I want to tell you, Brother Wiggins, that this salvation and its fulness is mine, and growing dearer each step of the way. Praise Him today for His keeping power.

Yours in the faith,
WM. P. NIXON.

Dear Brother Wiggins:

Please find enclosed P. O. note for renewal of Highway. We have taken it ever since the first edition. We all enjoy reading it so much as it is so full of Bible truths. It is what every home needs, a good holiness paper. Next to the Bible, I love my Highway.

I am passing it on to others—just now I am sending it to dear ones in Detroit, Mich.

I can truly say the Lord is my helper. He does truly bless and strengthen me day by day, and he is a God that answers prayer. I have proved Him so many times, and He never fails. Praise His dear name. He does cleanse my heart from all sin. The churches here united in a week of prayer and I believe God's children are

in "one accord," for we certainly have his blessing on our souls, and good results are sure to follow.

Sincerely Yours,
MRS. W. P. MacMULLIN.

Dear Highway:

As a number of my friends have expressed a wish to hear from me through your columns I decided to ask space in your clean pages for a few words. In the first place I wish to state, we are still trusting the blood to cleanse, and the Holy Spirit to lead. I am endeavoring to stick to the standard given us in His precious word which is the only way to reach the haven of rest for one and all, I rejoice in a free and full salvation.

I am very glad to hear of the good work of grace at Beals. It is a great satisfaction to know of souls being saved. Wife and I were privileged to visit Beals last summer during my vacation; we enjoyed meeting old friends whom we had not visited for seven years. Also glad to see the general improvement among the people in the schools and in the church. The church, always neat and well kept, now added a nice vestry and a large clock in the steeple that tolls off the hours that may be heard for miles around (I understand a gift from Brother F. W. Beal), also a number of memorial windows, making the whole Church equal to any country church I have ever been privileged to see. We were kindly entertained at the home of Brother Avery Beal, who with his good wife were untiring in their efforts to make it pleasant for us, and they succeeded, although neither of us were well in body, yet we had the pleasantest time of our lives. Brother F. W. Beal and family brought us on our way home as far as Calais in their nice five passenger car. We trust their young pastor and wife will have many more successful years with that kind-hearted people.

Yours truly,
H. H. COSMAN.

by the school; also each teacher gave suitable presents to each member of their respective classes, and every one present was given a bag of candy and an orange, and those who were unable to be present had their gift and treat sent to them.

We regretted very much the absence of our pastor and Bible class teacher, Miss Ella Slipp, who was called away on Dec. 31st to the home of her sister in Fort Fairfield, who is very ill. We trust she may be with us again in the work in the near future. The Lord has surely used her wonderfully here, in both church and Sunday School. She is a good teacher and preacher of the Living Word.

MONCTON CHURCH.

Christmas and New Years were very pleasantly spent by the Moncton Sunday School and church. Christmas night happened to be on our prayer meeting, and a good number enjoyed it. On the following Friday night we held our Sunday School concert and treat, which was largely attended, and as usual the children were in a happy mood and began an excellent programme when something went wrong with the electric lights and we were left in darkness for nearly an hour, but we resorted to our grandfather's lights (candles) and went on with the programme. The children seemed to rise to the occasion and carried out their part in splendid order. Brother Somers, the Superintendent, presiding, and Miss Lucy Blakney organist, done their part. Toward the close, the small boys' classes were presented with gifts of money contributed for the purpose by Brothers A. L. Berry and Wesley Weir, and an address and gifts were presented to Mrs. Baker by her class, and an address and a fine gift was presented to Miss Lucy Blakney as organist, the duties of which she carried through the year most faithfully as it involved much hard work, including Sunday services, and Sunday School and two weekly prayer meetings, and the monthly missionary meeting, besides all
