

CORRESPONDENCE.

Dear Brother Wiggins:

Enclosed you will find post office order for the Highway.

Testimony: Praise the Lord for salvation that keeps 365 days in the year. Praise God for victory which finds me pressing on the upward way, and gaining new heights every day. Glory.

A. S. PARLEE.

Dear Highway:

Again we have closed another year and all its privileges, opportunities, responsibilities, etc., together with our thoughts words and deeds are recorded in the books of God, which for the most part will remain as recorded till the "Books are opened." Some will find forgiveness through the mercy of God and have past sins blotted out to be remembered no more against them, but oh how much will doubtless stand at the Judgment morning as it stands today.

Considering this thought how we need to be submitted to God and so filled with His Spirit that by his grace 1924 shall be a year of progress and victory—the best of our lives.

We wish to thank our Heavenly Father for the many tokens of love and tender care during the year gone by. The operation on the boy's eye is proving successful we believe, and Mrs. Sabine, though still unable to do her own work, is also gradually recovering from her operation. We do feel grateful for these things. The dear ones at Sandford who have so kindly stood by us during our nearly eight years stay with them, voluntarily paid the heavier expenses in connection with the operations. Others have also contributed. The doctors at the Yarmouth Clinic Infirmary were very kind and reduced their bill by two-thirds. Also Dr. C. B. Walker, of Springfield, Mass., was very considerate in his charges for the boy's operation.

We wish too to make mention of cash remembrances from friends at New Tusket and others not on this circuit which have been thankfully received. Otherwise than for these kindnesses on the part of all we should have been under a financial burden for some time. We believe that during the several months past we have been sustained by the prayers of many, and as we came to the Christmas season with the family about us and so kindly remembered as stated, together with gifts and scores of booklets and cards bearing best wishes, we thank the dear Lord and pray his richest blessing upon all, and that by his grace we shall be all to them he would have us.

We rejoice with others in the Spiritual victories gained in the various places of revival and wish to note that the good work at Sandford is still going strong, and we are expecting special services here soon.

Let us all stand unitedly for the will of God done in our hearts through this whole year.

Yours for souls,

L. T. AND MRS. SABINE.

Dear Brother Wiggins:

Please find enclosed P. O. Note for renewal for Highway. I enjoy reading its

clean straight holiness pages more than I can tell. I love to read the good reports from the brothers and sisters; it does me good. Praise the Lord I know he saves me now. I love Him more and more. My prayer is, "Nearer, my God to Thee."

Your sister in Christ,

MRS. T. BEVERLY DENTON.

Rev. W. B. Wiggins:

Dear Sir: Enclosed find payment for two renewals mentioned. While not a member of the Reformed Baptist Church, I enjoy reading your good, clean, inspiring paper. I especially commend you for your temperance, anti-tobacco and anti-cigarette attitude, and I may send you a short article some day on the cigarette menace.

Sincerely,

CLARK A. McBRIDE.

Dear Brother Wiggins:

I am sending the acknowledgement of the amount received for the Students' Fund.

I have been called home for a time by the illness of my sister, Mrs. B. O. Crosby. We are glad to say that she seems to be some better.

God has blessed our work at Grey's Mills. Every service has been blessed with the unction of the Spirit.

I hope that you and Sister Wiggins are well, and I wish you both a Happy and Prosperous New Year.

Your sister in Christ,

M. ELLA SLIPP.

Dear Brother Wiggins:

I appreciate our little paper very much, always enjoy the reading. Am still looking to Jesus, who has saved me and keeps me from sin. I know by His grace and power I will safely reach the landing.

Wishing you and all the readers of the Highway a Prosperous and Very Happy New Year,

Sincerely,

MRS. R. C. MANNING.

Toronto.

Rev. W. B. Wiggins:

Dear Sir and Brother: Enclosed find cheque for the year of 1924. Kindly have it addressed to W. E. Chipman, 1 Clifton St., West Somerville, Mass.

Many thanks for the little paper. I esteem it a great pleasure on its arrival. In our awful times we are having in New England, it seems good to get hold of something that we are sure of. Some is denying divinity, another lot is running after the evolution business. I sometimes think that the age of Darwin's theory of the monkey business has not improved on some of us a very great deal. Still we do not know where we are, until we positively know on what grounds we stand.

Yours,

W. E. CHIPMAN.

NOTE.

Will those who sent checks on Banks in New Brunswick please see that they are stamped as also add 15 cents to the amount as the banks here charge us that amount to cash them.

W. B. WIGGINS, Treasurer.
