## A SURPRISE

Life seems to be one grand surprise after another, especially among a class of generous hearted people such as are found in Calais and Charlotte. On Sunday morning, October 25th, at the opening of the morning service we were presented with a fine "bill fold", the gift of George Gower, with a splendid sum of money, which was the gift of the church and friends. On going to Charlotte our new outpost, to preach in the evening, the same thing happened here. A neat envelope with a sum of money was given us to be added to the morning gift for the purpose of a winter outfit, such as an overcoat, hat, fur lined gloves, and overshoes, for which we are indeed very grateful. This spirit of benevolence is highly appreciated by most Holiness preachers. "Try it."

We wish to add a few words at the close of this in regard to the new work at Charlotte. On October 18th we baptized seven converts. At the afternoon service the crowd could not all get in and several went out and sat in their cars. There were twenty-five autos parked around the building and all went to the baptism with the addition of several that came only for this purpose. The prayer meeting on Thursday evenings are sources of great blessing and inspiration to all. These also are largely attended. To God we give all the praise and glory.

L. J. SEARS.

## "FOR THE MASTER'S USE

We were not here long before we found the walk of about six blocks was more than I was equal to. Then there were many dear children of God who because of weak bodies and distances were deprived of attending church, and we began praying over this. As a result it was soon brought to our notice that we could secure a car very reasonably and on easy terms, all of which we believed was of the Lord. Now it is kept busy Sundays bringing the weak, the lame and aged to the House of God.

Then it enables us to get among the people more. So it is proving a real blessing in the Master's service.

Quite a number of our friends expressed a desire to assist in this work for the Lord. The following has been contributed, for which we are very grateful.

Mr. Ernest C. Morgan .....	\$10.00
Mrs. J. W. Mooers .....	5.00
Mrs. Robert Barr .....	5.00
Mr. and Mrs. A. B. Craig .....	5.00
Mrs. William MacFarlane .....	2.00
Mrs. John White .....	1.00
