I am a little late in getting my renewal to the Highway. I have been laid up since last November; not able to do my work. Am very sorry to have to miss Beulah Camp Meeting this year but guess I will have to. I want to be remembered in your prayers. Hope to see you at Riverside.

Please find enclosed post office order for renewal to the Highway.

We cannot get along without it. It is like a visit from a dear friend.

Hope to get to Riverside Camp Meeting.

I shall never forget your work among us.

Your sister in the Lord,

MRS. KENNETH C. LOVELY.

St. John, N. B.

Dear Highway:

I was thinking that a few lines from the friends in Saint John might be of interest to your many readers.

We have to say that the church here is progressing very favorably since Brother Wright has become our pastor. He has been enabled to meet and overcome some very delicate situations. His active pastoral work has resulted in smoothing out some misunderstandings, and the church under his ministry of the Word has, we believe, got a higher conception of the purpose of the gospel. His sermons have been highly instructive and deeply spiritual, and the congregation, as a whole, have appreciated very much the helpfulness of his ministry. For all of which we give thanks to the Lord. The church has given him a unanimous call for another year, and are planning with him for special revival work in the near future.

Last Sabbath, June 14th, was a day of much blessing to the church. Brother Wright was helped of the Lord to preach with unction and power two inspiring sermons, bringing great conviction to all our hearts and the Holy Spirit was present to seal the truth.

In the evening the searching power of the Spirit was made known and upon invitation by Brother Wright a large number of the saints bowed at the altar, and with earnest entreaty in prayer and confession of need, all the saints received a blessed uplift in heart and soul. It was certainly a time of victory.

We now are looking forward to the coming of Licentiate Brother Rogers, who will supply during the holiday season. This young brother has proved himself "a workman that needeth not to be ashamed," and in all these good things the church at Saint John is greatly encouraged.

We are trusting that the Alliance and Camp Meeting at Beulah may be permeated by the consciousness of God's presence in all the services; that all the brethren and sisters and all the delegates may enjoy the fellowship of the Spirit; that God's will may be sought and known in all their business deliberations; and that the evangelist may be specially endowed with all the necessary gifts of the Spirit so that his ministry of the Word may be sealed by the Holy Ghost.

REPORT OF COMMITTEE ON TEMPERANCE.

Your committee on Temperance beg leave to report: We are sorry to report that the Provincial prohibition law is being violated on every hand and that the Government has failed in not trying to enforce the law. We therefore request all those who vote in the coming election to use their ballot only for those men who will pledge themselves to enforce the present prohibitory law. We commend the N. B. Temperance Alliance in their selection of Bro. Thomas Marshall as Secretary, and in the stand which they have taken on this vital question.
