MISSIONARY FUND.

In this way we are enabled to pay the salaries regularly, which is more needful than to home workers for they must buy their supplies in advance as stores are not as conveniently situated as our modern cities.

PRESENTATION.

On Thursday evening of the 15th inst. a very representative gathering of the Church and congregation met at the home of Brother Springer Cosman. A very pleasant time was enjoyed, the people being entertained by singing and music; after a time Mrs. Wright and myself were invited to take position before the speaker of the evening and we were presented with a very acceptable expression of their good will. We appreciate very much the kindness of God's dear children. Refreshments were served, prayer was offered and we retired to our homes all feeling it was good to be there.

You will notice that one brother has made a liberal contribution to this fund. If one man can do so well a whole church should certainly be able to do as much.

Let all the churches take an offering for this Fund before Alliance. Thanking you, brethren,

H. . ARCHER,

WOODSTOCK MISSIONARY MEETING.

The December meeting was held on the 19th. President Mrs. C. O. Mutch in chair, who read the Scripture lesson followed by prayers and singing.

The entertainment committee had been fortunate in getting Miss Flora Brown as the speaker of the evening. This talented young lady, in her pleasing engaging manner, gave a most interesting account of her trip to Europe during the summer. She entertained a delighted audience for nearly an hour with this address, picturing scenes she had visited so vividly, that her hearers felt they could almost see for themselves the beauty and grandeur she was describing.

A hearty vote of thanks was given Miss Brown for her splendid address.

Rev. L. J. Alley in a short talk spoke of the pleasure Miss Brown had given her listeners. There were several appropriate hymns sung during the meeting, which closed with benediction by the pastor.

Yours in the work,

MRS. O. R. ESTEY.

ACKNOWLEDGMENT.

About a dozen ladies (our good neighbors) came and spent an afternoon, on the 8th inst., brought food and settled down to sew and knit for our family. They did a splendid lot of work, for which we are surely very grateful. This was all through their own suggestion, and from the goodness of their hearts.

Others came in the evening, quite a number from Knoxford also, and after spending a pleasant evening together, lunch was served by the ladies, and they left for their homes leaving us produce and cash to the amount of \$48.00, all of which we appreciate very much, and thank our Heavenly Father for providing for our needs through the kindness of His dear children. The Lord bless them, everyone.

I. F. AND MRS. KEIRSTEAD.
