PRAYING BAND FORT FAIRFIELD, ME.

The second annual business meeting of the Fort Fairfield Praying Band was held on Tuesday, Dec. 30th, following the prayer meeting. Hollis Kimball was chosen chairman of the meeting. After the reading of the annual minutes the following officers were elected: Eugene Kimball, president; Daniel Hilyard, vice-president; Hollis Kimball, secretary-treasurer; Burrell Kimball and Kenneth Cogswell were elected musical directors. Other minor business was transacted after which the meeting adjourned.

God has certainly blessed our labors during the past year for which we thank Him. We are glad of the privilege of working for the Master in neglected and waste places. We have held meetings in many communities and in churches of seven different denominations; hundreds of people have been helped and about sixty found salvation. To God be all the glory.

We anticipate greater results this year and trust that God will continue to bless our humble efforts.

Respectfully submitted,  
HOLLIS M. KIMBALL,  
Secretary.

ACKNOWLEDGMENT.

We wish to acknowledge the kindness of the people here who so kindly remembered us during the Christmas season. On the evening of Dec. 22nd, a number of the members of the church called at the parsonage and after spending a very pleasant evening together, before leaving presented us with cash and groceries for which we were very thankful indeed.

STUDENTS' FUND.

We wish to impress upon the minds of our people the importance of the Students' Fund. We must remember that our young people who are studying for the ministry are making many sacrifices. It would be very easy for us to help our students if we all would put forth an extra effort toward this good cause. The successful business man carefully studies any proposition that is brought to his attention inviting the investment of his money. He decides in favor of that which is safe and gives promise of good returns in the future. Are the children of this world wiser in their generation than the children of light? What better investment can a careful, thoughtful steward of the Lord make than to put his money at work to assist our young people who are preparing to preach the gospel in their struggle to obtain an education?

"There is that scattereth, and yet increaseth, and there is that withholdeth more than is meet, but it tendeth to poverty.

"The liberal soul shall be made fat; and he that watereth shall be watered also himself"—Prov. 11:24-25.
