

MINISTERS AND CHURCHES.

Rev. S. A. and Mrs. Baker attended three of the services of the quarterly meeting held at North Head, G. M. It was an excellent meeting, and the result must be fruitful. We are proud of the grand company of young people in the work of the churches and Sunday schools with their pastor on this Island.

The injuries received when I fell recently were very slight and I am quite fully recovered from the effects of it.—S. A. Baker.

Rev. Perley Briggs is holding special meetings in the churches at Southampton. He is being assisted by Brother Frank Watson, of Woodstock.

Lic. Leslie Sears, of Calais, was laid up for two weeks with tonsillitis, his wife had lagrippe at the same time. They are both able to be in the work again. Brother Sears reports that souls are being helped and that the attendance at the services continues to increase.

Rev. F. T. Wright will remain with the St. John Church until the end of the denominational year, June 15th.

Rev. S. A. Baker reports that he and Sister Baker are doing well.

Rev. A. H. Trafton held services at Norton, Kings Co., Feb. 1st and 8th.

Lic. George Rogers, student at E. N. C., has been asked to supply during the summer months for the church in St. John.

Rev. H. S. Mullen is assisting Rev. H. C. Archer in special services at North Head, Grand Manan.

WOODSTOCK MISSIONARY MEETING.

The monthly meeting for January was held on the 17th. Mrs. Charles Mutch presided and read for the Scripture lesson I. Cor. 13. After a number of earnest prayers the dues were paid and offering taken, then followed singing, Go tell the world of His love. Then followed a short programme: Mrs. Frank Watson gave us one of her Parson Plain Talks, Sermon on Tithing; Mrs. Ansley Rogers a solo, Is He your Saviour; Miss Flora Brown, a wonderful touching and highly appreciated recitative on the heroic death of Edith Cavell; Rev. L. J. Alley and Miss Estabrooks, an instrumental duet. On account of sickness and bad weather many members were absent and therefore missed a treat. Meeting closed with prayer and benediction by the pastor, Rev. L. J. Alley.

Yours in the work,

MRS. O. R. ESTEY, Secretary.

WILL THERE BE ANY STARS IN MY CROWN?

Are you very sure you have a crown? If you have won a crown, you will have the witness of that fact. If you have won any stars you should also have the witness of that, and rejoice over it while on earth. Don't try to steal in with stars some one else has won, for you will surely be disappointed when you look for them on the other side. Thank God, there are people on earth who have an unmistakable witness that they have stars that are shining on earth and in heaven. They are known in two worlds, even if these workers are not very well known in this one.
