EDITORIAL

YOURS AND OURS.

The King's Highway is not a one man paper. Organ of the Alliance of the Reformed Baptist Church of Canada it belongs to all the members of that church; that church is one of the many branches of the Holiness movement, that stand definitely for the two works of Grace, Justification and Entire Sanctification. A committee of the Alliance has the burden of the paper, but it is your paper. Invest in it and it becomes a part of us; we therefore feel our obligation in maintaining and sustaining it. The Lord has wonderfully blessed us in maintaining our paper, free from debt. This has meant sacrifice on the part of many and to continue to go on will still mean sacrifice. As a branch of the great holiness movement we feel that we have a claim on that movement, and we are glad for the recognition given us and we are thankful to all those outside our ranks who have contributed to our success. To all our subscribers, contributors and friends everywhere, we owe a debt of gratitude. This paper has been yours and ours in the past, it will be yours and ours in the future.

The Editor and Business Manager is chosen from the Highway Committee. The burden of obtaining and selecting material, cost of printing, etc., falls largely upon him. It lightens the burden very materially when we have the cash to pay, when our bills come due. The winter months are rather lean ones and you could assist us much just now by making an examination of the label on your paper, and that will tell you the month and year you are paid to. If in arrears and you cannot pay all at once send us a part payment and your credit will appear on the label. You could assist us by giving us notice at once if your paper fails to reach you, if any change in your street address or location. Then we would like for you to send us your personal testimony as to what the Lord has done for you, also items of interest in connection with your

church and the members thereof; others would like to know what you are doing and how you are getting along. If possible we want to make your paper more interesting. We should have a young people's column. Who will be the first of our young people to contribute? Yours and Ours may it ever be.

QUARTERLY MEETING REPORT.

Seal Cove, Feb. 19, 1925.

The quarterly meeting of District No. 2 convened with the Church at North Head, Feb. 5-8.

The first service was held Thursday evening, preaching by Rev. Hartley E. Mullen from Zach. 9-12.

The Friday evening service at 7.30. Preaching by Rev. Handly Mullin, from Micah 6th Chapter, verse 8.

Lic. Stillman Mullin preached on Saturday evening.

Saturday afternoon the business meeting was held beginning at 2.30.

Moved and seconded that we extend to Brother and Sister S. A. Baker a seat in the quarterly meeting.

Moved and seconded that a seat be given to those of other churches.

The roll call found the following ministers present: Rev. H. C. Archer, Rev. Handly Mullin, Rev. Hartley E. Mullin, Lic. Stillman Mullin, also Rev. S. A. Baker, who was able to attend the morning and afternoon services.

Delegates present:

Seal Cove—Robert Green, Henry Benson.
Wood Island—Mrs. Chester Greene.
North Head—Edwin Redmond, Ralph Beal.

Election of officers:

President—Rev. H. C. Archer.
Secretary—Rue N. Ingalls.
Treasurer—George Thomas.
Highway Agent—Hartley Mullin.
Devotional Committee—Ralph Beal, Henry Benson, Percy Green, Rev. H. C. Archer.

Report of Churches:

North Head—Reported in very good condition, one hundred members, some being away, but those who are here are strong, and determined to prove true and help advance the cause of God and holiness. The Sunday School is good. The pastor, Rev. H. C. Archer preaches "the word" in its fulness, and is a true man of God.

Seal Cove reported that the church seems to be in a better condition of late, the pastor, Rev. Hartley E. Mullin, preaches the gospel straight and we as a people feel that his labors have not been in vain. The Sunday School very good, attendance one hundred. We have lately taken up the envelope system and find that it works fine, a new furnace and gasoline lamps lately have been purchased which is a great improvement.

West Jonesport, Me.—We are glad to report victory since last Quarterly Meeting, the Lord has been with us and blessed us, while there were not as many saved as we hoped. We give God all the glory for calling some back who had wandered away and saved one other. We are still

looking to God for big things, and believe He will give. Each branch of the work is doing well.

Calais, Me., reports that the meetings there are good. Brother Sears preaches straight and conviction seems to be deep in all the services. Brother H. S. Mullin held special services the first of December, about fifteen got saved, reclaimed and sanctified, and since then there have been two at the altar. The Sunday School has increased, also the prayer band.

Wood Island—The spiritual interest has increased somewhat since the last quarterly meeting, and we are trusting God for victory in the near future. Brother Mullin faithfully preaches the word, and we believe God will reward his efforts.

Beals—The work at Beals is about the same as usual, the Lord has been blessing, have not had any special meetings yet. A new pipeless furnace has been installed in the church. There is good work going on at Alley's Bay.

Pembroke—No report. Brother Moses was not able to come, but we know his prayers were with us for his heart is still with the work of the Lord.

We were glad to receive a letter from Brother S. H. Clark from Island Falls, as he has been on this district for quite a number of years. We miss him, and he writes that he misses the quarterly meetings very much. He says he is trying to give the people the "Double Cure" for sin.

We were glad to have with us Brother and Sister S. A. Baker. Brother Baker gave an interesting talk in the business meeting. Brother Baker came to Grand Manan in the year 1892, preaching holiness as a second definite work of grace, as this was the first time that Holiness was preached on the Island, it was not very popular, although we are glad to say that the seed that was planted by Brothers Baker and Wiggins has grown to a large tree, and is bearing fruit that will last through all eternity.

A helpful talk on Temperance by Brother Santford Richardson.

Moved and seconded that the meeting give North Head a vote of thanks for their liberal entertainment, to all who had the privilege of attending the quarterly meeting.

Moved and seconded that the meeting accept the invitation from the Jonesport Church, to hold the next quarterly there May 7-10.

All were sorry that Brother Sears was unable to attend the Quarterly Meeting on account of sickness.

Sunday morning services began at 9.30 with a love feast led by Brother Percy Greene, 11th Chapter Hebrews, and all who were able to attend surely felt that it was a 'feast of good things for the soul.'

At eleven o'clock preaching service began, Rev. Handly Mullin being the speaker, preaching from 1st Timothy 1 and 5.

Sunday School at 2 p. m.

Preaching service again at 3 p. m. by Rev. H. E. Mullin, text Romans 8-9.

Sunday evening service began at seven o'clock. Preaching by Stillman Mullin from 2nd Chr. 28-23. This closed the quarterly meeting, which was a means of strength and great blessing to all who attended. We felt that the power of God
