NOTICE.

The quarterly meeting of District No. 4 will convene with the church at New Tusket, N. S., (D. V.) Sept. 23 to 26, 1926. This is a good time for some of the brethren to manifest a little love and self sacrifice and come over and help us. This district is small and we need a little extra help just now. We are expecting Brother E. W. Lester, also the male quartette from Seal Cove as we are writing them to this effect. We are planning on a real old fashioned supernatural, Holy Ghost, God sent quarterly. Lay aside your cares for a few days and obey the call to come over into Macedonia and help us.

We would be real glad to see the President of the Alliance, also the editor of The Highway, and any others that wish to come.

Yours for Holiness,

L. J. SEARS.

MISSIONARY MEETING.

Friday evening, August 27th, at our monthly missionary meeting, we had the pleasure of having Sister Faith Sanders with us. There was special music of vocal and instrumental. After the Scripture reading by the President, Rev. H. S. Dow and Rev. George Ferguson offered prayer. Then Major Hiscock, of the Salvation Army, in a few chosen words of appreciation for the privilege of having our missionary with us, welcomed her in behalf of the congregation and City of Fredericton.

A very good congregation listened attentively to the excellent and inspiring address of our sister. We feel sure that all hearts were stirred to a greater interest in Foreign Mission work as she described the conditions of heathenism, the needs and the importance of this great work, as well as of what has been and is being accomplished by the consecrated workers on the field.

A special offering was readily laid on the table together with dues which amounted to over \$29.00. The three returned missionaries then sang one or two Zulu songs, which the audience appreciated. The following Sunday evening Sister Faith again spoke to a good congregation. She described a class meeting, located the different groups of native Christians, young and old, and gave their testimonies as she could remember them. This was very real to some of us, for in our mind's eye we could see Lydia, Jostena, Aloni and many others; how they would drink in the "Words of Life" as the Umfundisi preached.

We praise the Lord that they are growing in grace and can now assimilate the strong meat of the Gospel. We are looking forward to our October meeting when Faith will be with us again (the last Friday night) on her way to Maine. Let us all keep much in prayer for both the home and foreign work.—I. M. K.

THE FIFTH GOSPEL

There are four written Gospels. The fifth is writing now. The world may forget the four, and leaves of the book may never be turned, but the fifth gospel men are sure to read.

That fifth Gospel is your life of Christ, that is, your life in Christ. Men may forget Christ; they never forget the Christian. Christ lives in heaven and on earth. The world's dull eyes have never gazed upon His heavenly glory, but they are looking eagerly for Him on earth. Christ in men is the most powerful preaching.

Not books but deeds, not letters but lives will win a sinful world to Christ. The world has had many lives of Christ. Each Christian is writing his own, and the very children read it. We are either revealing or veiling Christ to men.—Sel.

THOUGHTS!

A soul that is beclouded with doubt is like a ship that is lost in the dense fog.

How much like the bright ray of a sunbeam after a mist is the witness of the Spirit that brightens up the consciousness of the earnest seeker who seeks until he finds.

G. A. ROGERS.
