Dear Friends:

On Aug. 7, 1925, the Lord saw fit to withdraw the divine health and strength with which He had blessed and used me since July 2, 1922. A severe nervous breakdown from which I failed to recover in spite of long weeks of rest both at home and elsewhere has cut me off from active part in the work so dear to His heart and to ours.

As I have waited upon Him during this long six months the conviction has grown that it is His purpose to send me home to Canada and to you. I have waited and asked others to do so, praying much, and hoping against hope that He would yet restore me to the blessed service for which my heart burns. But now I know I must not wait longer. The time has come for us to put the facts before you.

Please, dear ones, pray earnestly and definitely that His full purpose may be accomplished in this little vessel which is His to do with as He wills.

Yours in His love,

FAITH SANDERS.

Dear Friends Everywhere:

The above letter explains to you all, the condition in which our sister finds herself, after these years of faithful and sufficient service. We have already sent a cablegram saying for her to come home in time for Beulah Camp. It will cost between 400 and 500 dollars for her passage. Please respond at once to this appeal and send your amounts to the treasurer, Rev. I. F. Kierstead, Fredericton, N. B., and it will be acknowledged in the Highway. This will be known as "Passage Fund." Let there be a hearty and quick response.

P. J. TRAFTON, Secretary.

NOTICE

Will the pastors of the different congregations bring before their people the matter of the home-coming of our sister, Faith Sanders, on furlough, at their earliest opportunity, and take a "Special Offering" for Passage Fund. Per order of the board.

P. J. TRAFTON, Secretary.

"MEN OUGHT ALWAYS TO PRAY"

Let the times be unfavorable, the current of public thought against it, the scientific conceptions of the day at variance with the very idea of it—still let men pray.

Even though prayer be long unheeded, and the tumult of those that trouble us increasing yet more and more, go and take your struggling prayers, like fragrant blossoms wet with your tears, and plant them at His threshold. The precious seed will be met with after many days, as bright, strong and golden sheaves in the wheatfields of God's glorious harvest.—Selected.

Neglect of this "so great salvation" will lose our souls.

"I pray not for the world." John 17.
