

vote of thanks was extended to the Church of Marysville for their entertainment.

Saturday evening Brother I. F. Keirstead brought a good message, found in Proverbs 23:23.

The Sunday morning Love Feast was in charge of Sister Hazel Mullen and was a time of blessing. At eleven o'clock Lic. Hollis M. Kimball preached on God's call to sinners and believers, using the text found in James 4:8. Sunday afternoon Brother L. T. Sabine preached on the Kingdom of God, his text being found in John 8:36. The closing message was given by Brother H. S. Dow, using as a text, Colossians 2:10, followed by a good testimony service.

The Quarterly Meeting was not as good as it might have been had there been more preachers and delegates. The Lord blessed, however, and we believe the meeting was a profitable one.

Respectfully submitted,

HOLLIS M. KIMBALL,
Secretary

Report of Churches:

Jonesport—Since last quarterly meeting we have been able to have Brother H. S. Clark with us as our pastor. Brother Clark certainly is a deep man in the Word of God. Although our meetings are not very largely attended, the Lord is with us, and he richly blesses our souls. We are expecting great things from the Lord.

Calais, Me.—As a Church we can report victory. In November we had special meetings, the pastor being assisted by Rev. F. A. Dunlop, and Brother E. Cosman, of Saint John. There were about forty at the altar. We have organized a Young People's Society. Brother Hagerman is preaching a full gospel of holiness, and there is a good interest in all the services. We are praying for a greater victory.

Wood Island—We are glad to report that our faith in God is unshaken. We are still holding true to the doctrine on holiness. The interest seems to be a little better than in the past. As we have no regular pastor, the members have charge of the services, and give us some very good instruction in the ways of life. We hope to have special services in the near future.

Seal Cove—Greetings. There seems nothing new to report; yet we are glad to say that God is still with us. We are enjoying his blessing, and thank him for his grace and favor. Although we have no regular pastor, the services are kept up with very good attendance. Brother Percy Green has been preaching for us Sunday evenings; his messages are helpful and much appreciated. Our Sunday School is well attended, and the interest in the missionary work is also well sustained.

North Head—Verbal. The services are very

well attended. As old age is finding its way among many of our people there are not so many get out to the prayer meetings as we have seen in former days. Our Sunday School work is full of pep, and there seems to be a growing interest in all departments of the school. We are trusting that before long we may see many of the young folk brought to God.

It was moved and seconded that the arranging for the next quarterly meeting be left in the hands of the committee.

A vote of thanks was given to the Church at North Head for entertaining the Quarterly Meeting.

It was moved and seconded that a resolution be drawn up, voicing our disapproval of the present liquor conditions in New Brunswick, and that a copy of the said resolution be sent the King's Highway; also one sent to Mr. R. G. Fulton.

Saturday evening Rev. C. R. Hagerman brought a message from Matt. 25:1-13.

Sunday morning at 9.30 a love feast was held by Lic. Rue Ingalls. Brother Ingalls brought us some fine thoughts from the word. The blessing of the Lord was upon the meeting in a marked way. strong, stirring testimonies were freely given to the saving, sanctifying and keeping power of Christ.

At 11 o'clock Rev. H. S. Clark brought a stirring message from John 16:5. If ever Brother Clark was at his best it was unday morning. It has been many a day since God gave me such a rich blessing as he did under Brother Clark's message. There seemed to be a river of liquid glory flooding my soul. The Sun of Righteousness seemed to burst forth in glorious splendor. I could feel the foliage of divine grace taking on new and rich beauty. The song birds perched in the branches of hope, faith, love, joined in a choir that sent the glorious melody of heaven to verberate through every part of my being. It is wonderful when God will give us a visitation of His Presence.

Sunday at 2.30 p. m. a very profitable message was brought by Lic. Percy Green. Brother Green from I. Pt. 5:8, using but two words, "Your adversary." I am convinced that Brother Green has not much love for Satan, our adversary. Brother Green is a very fluent speaker. I am praying that the day will come when he will be able to give his full time in the service of Christ.

At 7.00 p. m. Rev. C. R. Hagerman brought the message from St. Luke 23:8. There was a full house. Although there were no visible results, we feel that there was conviction on many hearts. There was fine attention given through the entire message. As I pause to survey the meeting as a whole, I feel we had a fine convention. May the blessing of God rest upon us as a people, and help us to explore new fields in our inheritance.

Your brother in Christ,

C. R. HAGERMAN,
Secretary

Gratton, Conn.

Dear Brother Trafton:

Enclosed find my renewal to the Highway. My testimony is, Praise the dear Lord, for he saves me sweetly these days.

RESOLUTION

In view of the fact of the present situation in New Brunswick, we the members of District No. 3 of the Reformed Baptist Church, wish to place ourselves on record as disapproving of the liquor law as adopted by the Government of New Brunswick, and which is now in operation in said Province.

We regret very much the recent action of the Supreme Court of New Brunswick in giving their decision in favor of the present liquor law, and against the Canada Temperance Act which had been in operation for several years in different counties of the province.

In the fact that New Brunswick is predominated by government control, there is but little evidence that boot-legging has been reduced. But it is very evident that excessive

drinking has increased in a number of our towns.

As a quarterly convention we feel the need of urging upon our people the necessity of pushing the battle against this incoming evil, and to instill into the minds of the youth the principles of prohibition.

Signed

REV. H. C. ARCHER,

President

REV. C. R. HAGERMAN,

Secretary

Resolution passed at Quarterly Meeting of District No. 1. We the quarterly meeting of District No. 1 of the Reformed Baptist Denomination regret to notice that the liquor commission of the province of New Brunswick are considering opening up a system whereby liquor can be obtained through the mail as well as opening dispensaries in different localities where government stores are not located. This no doubt is done to increase the sale and consumption of liquor.

Now, the people were led to believe that the Liquor Act of 1927 was to encourage temperance and that liquor would only be obtained from government stores. We lament the fact and protest against the opening of other channels whereby liquor can be procured so easily.

OBITUARY

Maggie Churchill

It is with saddened hearts we report the death of Maggie Churchill, daughter of Willard Churchill, of Port Maitland, N. S.

Her passing from this life came rather unexpectedly, although she had been ill for about six weeks. She had been at the Yarmouth Hospital five weeks and had been operated on for appendicitis. She seemed to be doing fairly well, and came home on Thursday, Dec. 1st, and Sunday afternoon, Dec. 4th, she passed to her eternal reward. Maggie was a good Christian girl. A few years ago she gave her heart to Jesus and has been a faithful follower ever since. Her life and testimony have been a help and blessing in her home and church. She leaves to mourn their loss her father and step-mother, one brother, Ashton, and a little half-brother and half-sister.

The funeral service was held on Wednesday afternoon, Dec. 7th. Rev. L. J. Sears had charge of the service, which was at the Reformed Baptist Church at Port Maitland, of which she was a member. Interment was made in the cemetery at Darling's Lake. To the sorrowing family and friends we extend our heartfelt sympathy.

Vincent Campbell

Death has visited our community once again. It has no respect for persons. It met the thief in the way without a quiver, and shuddered not in the face of our Lord. The young, the middle aged, as well as the old fall many times as its victim.

The missing one at this time is from the home of Mr. and Mrs. David Campbell. Their little son, Vincent, aged 2 years and six months. He was a bright little fellow. He brought joy when he came; disease fastened itself upon him. Doctors were summoned and many prayers were offered, but it seemed God was saying, come with me; I've something better for you than the world has to offer. What is our loss we believe is his gain.

He leaves to mourn their loss a father and mother, two brothers and three sisters. The service was well attended, the sermon preached by Brother Lee Good. The pastor was absent. Interment was made in the Royalton cemetery. May God bless and comfort the sorrowing ones.
