Dr. Sanders and family have been 17 years on the field since their return. We owe it to them. Let several start this fund by giving \$100.00. This will be known as Passage Fund.

## NOTES.

Many declare it was the best Camp Meeting for many years.

The crowds came, and they were orderly, too. The weather was ideal, and the trees and shrubbery were beautiful.

The new dormitory rooms were all taken, and every available space in dormitories and cottages filled the last Saturday.

The best singing ever at Beulah, the special music was grand. Let us pray mightily for Riverside Camp Meeting.

## SOUL WINNING IS CHURCH'S TASK

"The supreme need of the church today is soul-saving. John records how Andrew found his brother, Peter, and brought him to Jesus. Our Master told the healed demoniac to go back to his own home and tell his friends what great things the Lord had done for him. The whole trend of the New Testament teaching is to convert the world to Jesus Christ by the saving of the individuals through the appointed means of grace."
