Collina, Car., N. B.

Dear Brother Trafton:

My testimony is, that I am his today and He is mine. I have joy and peace that the world cannot give or take away. I feel safe and secure resting in Jesus' arms. In spite of trials and temptations, I have the victory in my soul. Glory to God. I never expect to turn back to the world again as sin cannot bring comfort. The great ambition of my life is to honor Jesus Christ. He saves and sanctifies just now.

Your sister in Christ,

MRS. W. S. BEALS

CORRESPONDENCE

Seal Cove, Grand Manan, N. B.

Dear Highway Readers:

Just a few lines from this part of the field. After our Camp Meeting at Beulah we made a very enjoyable trip up to our old home at Millville, then across the Maine border at Millville Jct., and from there down to Brunswick, Me. We saw some very nice places over in that locality. While there we visited Brother Lanpher's Church in Portland, and had the privilege of hearing him preach on the Second Coming. Brother Lanpher is a Nazarene. We also visited Bath, Auburn, Lewiston, and stopped a few minutes in Lisbon Falls, the home town of our dear Brother Moses. We visited the great Shiloh establishment. That was certainly interesting, the church, Sanford's home and all the other great buildings in connection with it. There is a man and his wife there as care-takers of the grounds. He told us that they were having services there each Sunday. I do not believe they draw a very large crowd. No one seemed to know just where Sanford is at the present time. He has his liberty again, and the general belief is that he is travelling somewhere in Europe.

From Brunswick we came back to Skowhegan. We visited our people there and found that the Nazarenes had erected a tent in that place, and were holding meetings each night through the week and twice on Sunday. We enjoyed listening to Prof. Garrison very much, and believe that they will establish a holiness church in that town.

On our way back to the island we stopped a few days at Woodstock and visited Mrs. Dunlop's people. From there we came to Maple Ridge and attended a good prayer meeting in our home church. Brother Sabine is doing well on that field, and is well liked by the people in general. Of course he has a few opposers, just enough to take the woe off him.

When we got back to St. Andrews, where we took the boat for the island, we found Prof. Angell, who came to the island with us, and preached three great sermons in our churches on Sunday—morning and afternoon—at Wood Island, and at Seal Cove in the evening. His messages were a great benefit to us at the beginning of another church year. While we were away the people at Seal Cove made some repairs on the church, and repainted the interior. It surely makes one feel that these good people are interested in the Lord's house. The people in both churches seemed glad to have us back again and proved the same by giving us an offering of seventy-four dollars. We purpose to do our best this year to live and preach holiness among them.

Our mother accompanied us back from her home at Brunswick, Me., and will stay with us for some time.

My prayer is that God will make this a great year for our people.

Yours and His,

F. A. DUNLOP
