

QUARTERLY MEETINGS

(Continued from Page Three)

the death angel, when sheltered by the blood, so are we only safe when under the protection of the blood of Christ.

This service was followed by a communion service which was a season of great blessing. Our hearts were melted as we remembered the great love of Jesus who shed His glorious blood that we might find salvation.

At 2.30 Sister Miriam Sanders preached from Phil. 3:1. The points especially noted were the universal desire for joy, sought so often in wealth, education, pleasure, fame, but never found outside of Christ. It is a joy that can only come to the fully surrendered heart and cannot be taken from us by any circumstances. This service closed with a season of testimony when the saints got especially blest and which seemed all too short.

It was a great privilege to have our young sisters with us, and their earnest messages will not soon be forgotten.

At 7.30 Sister Ella Slipp brought the message from Luke 13:5. This was a heart-searching message on the absolute necessity of heartfelt repentance in order to obtain salvation. Souls were under deep conviction and only Eternity will reveal the results of this message.

The Quarterly Meeting closed with a sense of assurance that God's presence and power had been with us in every service.

Attendance was good, weather ideal, and we realized perhaps as never before how many hungry hearts there are all around us waiting for the message of full salvation.

God keep us faithful and active in His service.

ELLA M. McCARTHY,
Secretary

Report of Churches:

Seal Cove—We have much to thank God for. All branches of the work is going on well. Prayer meetings are seasons of blessing. The Mission and Sunday School interests are very encouraging. The revival we had last winter was a great help to the church. Our pastor brings strong stirring messages

from the Word. We are looking with hopeful expectancy for the coming winter.

Jonesport—Our services are a matter of form, and there is no burden for the lost. It seems that our little church is going behind. Pray for us that the work may be strengthened here.

Wood Island—Have had some blessed meetings during this quarter. The camp meetings were a blessing to those who attended. The attendance is somewhat less than usual. We appreciate Brother Dunlop's preaching, and aim to encourage him by living up to the standard that he brings us.

Calais—Spiritual condition of our church is good. Two have been at the altar for help. The attendance has increased some. We purpose to be true to God.

Beals—With great pleasure we report a growing interest in our church. The preaching services are of great blessing to all. Our Sunday school is on the increase. In Brother Archer we feel we have a faithful pastor, one who will be a blessing to our community. We thank God for sending him to us.

A letter from Rev. H. S. Hilyard, in answer to one written to him by this district, was read.

Rev. F. A. Dunlop, Rev. C. R. Hagerman and Rev. H. C. Archer were appointed as a committee to see about securing an evangelist to work on this district.

It was moved that a vote of thanks be extended to the Church at Beals for their most generous hospitality in entertaining the Quarterly Meeting.

It was moved and adopted that our next Quarterly Meeting be held Nov. 7-10 inclusive, and that the secretary locate the place for the next Quarterly Meeting.

Preaching Saturday evening by Dr. Sanders. Eugene Wilcox led the social service Sunday morning. Preaching at 11 a. m. by Rev. C. R. Hagerman; preaching at 2.30 p. m. by Rev. F. A. Dunlop, and again at 7 p. m. Dr. Sanders brought the closing messages.

There were no visible results from the meeting, but we trust that the Word would not return to our Father void, but will have its fruit unto life everlasting.

Your brother in Christ,
C. R. HAGERMAN,
Secretary

CORRESPONDENCE

Fredericton, N. B.

Dear Brother Trafton:

I feel quite encouraged regarding the work here. The people have received me very kindly, and God is blessing us as we labor together. As you know, Brother George DeLong has left us to go to Eastern Nazarene College. We miss him greatly, but pray that God will bless him and use him in the salvation of lost men. Upon the occasion of his leaving a number of friends met at the parsonage to say farewell. A nice programme was carried out, during which the pastor presented to Brother DeLong a very tangible evidence of the regard and confidence of those present.

Brother George expressed his gratitude, after which one of the sisters told Mrs. Watson that if she would learn off the groceries and other things which had seemed to accumulate there during the evening, they, the ladies, would pass refreshments. This took some little time, as the friends had surely not forgotten us, but had brought along many

very useful parcels of good things for our enjoyment. We thank them one and all, and hope that our stay here in Fredericton may be a blessing.

Yours in the work,
FRANK E. WATSON

Special Notice

Dear Highway Friends:

I know you will be glad to hear from this quarter of God's vineyard. A great many of you hardly know that we, "The Reformed Baptist Alliance of Canada," have a Church here at Westchester Station. I say this because I was talking to some one just before coming here as pastor and they seemed so surprised to learn that we had a church at this place. Well, it is so—we do have a church here. Both the organization and the church building. They have not had a regular pastor very much of the time since their organization but it is just wonderful to me to see how they have kept the work going.

First they put up a very nice church building and have kept it well repaired and painted. No pastor need be ashamed for any one to see it. It is also well lighted and a bell in it. There are some of the finest people members of it.

Just lately they have gone to work and built a lovely parsonage into which any pastor might be glad to live. It is just being completed now, painting and papering inside. See this has been done freely, no suppers, etc., by which to raise money. Now as it is being completed along with a nice double garage, we find we are owing four hundred dollars.

Knowing in my mind that there are plenty of people who would like to donate some on this if they just knew about it, I am taking the privilege of telling you. These people have done remarkably well I think, doing as they have done and had so little membership. They have done it of course because "the people had a mind to work" and give.

Just think now, only \$400.00. All we need is forty ten dollar bills. Now how many will come to our aid. It will be a good investment for some of your tithe money and offerings. God bless you. We already see you getting out your pocket book to send us an order for ten dollars, more or less. Yes, here they come now:

Mr. Gordon Doyle	\$10.00
Mr. Victor Rushton	10.00
Miss Minnie Flemming	10.00
H. S. Mullen	10.00

Hallelujah! I just knew you were anxious—only thirty-six more. Just see how many you can have in the next issue of the Highway. I'm sure the church here will appreciate your help very much and, say, the pastor will also, and best of all, it will be good material to send up on your mansion in the sky. Amen!

Yours for full salvation,
H. S. MULLEN

THE PRIVILEGE OF PRAYER

In the quiet of home, in the heat of life and strife, in the face of death, the privilege of speech with God is inestimable. I value it more because it calls for nothing that the way-faring man, though a fool, can not give; that is, the simplest expression to his simplest desire. When I can neither see, nor hear, nor speak, still I can pray so that God can hear. When I finally pass through the valley of the shadow of death, I expect to pass through it in conversation with Him.—*Wilfred T. Grenfell.*
