DEDICATORY SERVICE AT BEALS

On Sunday morning, Sept. 15th, the new pipe organ which had been recently installed in the Church at Beals, Maine, was dedicated to the worship of God. This organ is one of the latest improved and was presented to the Church by Brother F. W. Beal and family in memory of their daughter, Lucy J. Beal, who until her death in 1915 was the organist of the Church.

The service which was a very impressive one, was conducted by the pastor, who was assisted by Rev. S. H. Clark, of Jonesport.

The subject was, "Praise." Psalms 150:1-6. Special music was furnished by the choir.

In the evening another special service was

held, when the alcove, which had been built for the organ, as well as the new electric lights which had recently been placed in the church, were also dedicated to the service of God.

This alcove, which is back of the pulpit, with a beautiful oval stained glass window, makes a decided improvement in the appearance of the church.

This alcove as well as the four beautiful dome shaped light fixtures, beside the painting of the interior of the church and vestry, is all the generous gift of Brother and Sister C. H. Beal.

The subject in the evening was "The Presence of God Filling the Mouse." I. Chron. 6:40-7:1.

The music at this service was furnished by the Young People's Choir.

Both these services were seasons of much blessing. The presence of the Lord was manifestly revealed, and we were conscious of the blessing of God upon the people.

It is surely a very commendable act on the part of those dear people to keep the house of the Lord in good repair, and to desire that God's house shall be as beautiful as their own. It is also a good thing for those to whom the Lord has entrusted some of his money, to see that He gets his portion in return. Surely the Lord is well pleased with the interest and love manifested in this way.
