

CORRESPONDENCE

Durham Bridge

Dear Brother Trafton:

Enclosed please find three dollars for Highway. Use the extra as you wish. I feel the Highway is worthy of a little help. The Lord is blessing us and I am looking to him for help and strength which he is able to give. Have had Brother Foster with us three weeks; he preached good salvation sermons, but so many seem to reject the truth and don't want to hear holiness preached. I pray that the Lord might open up a holiness church in this place. I praise the Lord for the blessing that has come to my heart and life though our hearts have been sad the Lord hath made them glad.

Wishing you and the Highway readers a Happy New Year, I remain,

Yours in Him,

WARREN M. SMITH

Dear Brother Trafton:

I feel that there are several of the brothers and sisters of my acquaintance that often wonder how I am making out spiritually, and therefore I would like to tell them through the Highway that I am still growing in grace and the further knowledge of God daily, and He is blessing me continually. I have no desire to return to the ways of the world, bless His name. There is more joy and peace in serving the Master one day than a lifetime in sin. I say sin no more. Rom. 6-17, for we are redeemed.

And shall we then go on in sin

That grace may abound?

God forbid that such a thought

Should in our breast be found!

When to the sacred font we came,

Did not the rite proclaim;

That washed from sin and all its stain,

New creatures we became.

With Christ the Lord we died to sin,

With him to life we rise;

To life which now begun on earth,

Is perfect in the skies.

Too long enthrall'd to Satan's way,

We now are slaves no more;

For Christ hath vanished death and sin,

Our freedom to restore.

Brother, pray for me as I need the prayer of God's people; and may His work be done faithfully, is the prayer of my heart.

Dear Brother Trafton:

Enclosed find my renewal for the Highway. I do praise the Lord that I obeyed when he called me unto Holiness. For his blessings have been worth more to me than the pleasures and joys of this world. My soul has been wonderfully blessed as I have been reading our dear Sterritt Sisters' letters and also Brother Dunlop's. My prayer is that God will still bless you in the Lord's work.

Your sister in Jesus,

Dear Brother Trafton:

I am sending postal note to renew my subscription to the Highway. Sorry this has been delayed so long. I enjoy reading the Highway so much could not do without it very well. Its pages are all so clean and helpful. I love all the saints. I have not been very well in body all this fall, but He has never left nor forsaken me. I want to be more true to him this coming year, if he sees fit to let me live.

I will say with the Psalmist: "I love the Lord because he hath heard my voice and my supplications; because He hath inclined his ear unto me. Therefore will I call upon him as long as I live. Ps. 116-1-2.

MRS. FRANK CLARKE

Dear Highway:

Calais, Maine

Just a line to voice my heart-felt appreciation for the spirit of friendship and brotherly love shown me during my sickness. I thank the many friends for the large number of beautiful cards, and the letters of interest and encouragement sent me. I owe much to the Calais Church for the fine spirit they manifested during my illness. The services were carried on under the leadership of the deacons, and the contribution was given to me. Christmas they presented me with a beautiful basket of fruit, and in the basket was a present of \$27 (twenty-seven dollars). I received some very useful presents, and a few tokens of remembrance in the way of money.

The Church here put on a fine Christmas concert, under the leadership of Mrs. Frank Mylen. I was unable to get there, but I was told that here was a large attendance, and that everyone there was greatly pleased with the program.

After I came back from the Hospital, I tried to get a supply to take over my work for a while until I gained my strength. But the Lord sure did hear and answer prayer. I am feeling much like myself again, and am planning to handle the work as the Lord may lead.

Will take this opportunity to wish, both for the Editor and the great Highway family, that God's richest blessing will be with you down through the New Year. May his grace be so manifest in our lives that we will attain to a deeper experience in Christmas love, and thus be able to magnify and exemplify our Lord.

Your brother in Christ,

REV. C. R. HAGERMAN

Dear Highway:

Just a line from this corner of God's vineyard. We are enjoying the blessing of the Lord. Our meetings are good both at Royalton and Gordonsville.

Our Christmas Services were seasons of great blessing. God was in our midst. He blessed our souls as we tried to preach on

such an occasion of the Christ of Bethlehem's Manger.

Sister Hazel B. Mullen is with us and we are glad for the privilege of having her with us. She and I went to Gordonsville last Thursday, the 27th, and held services over the 30th.

Our services were owned and blessed of God. Sunday morning we had the baptism we have already told that we expected to have. Two young women were baptised who could not be at our other baptism on account of measles. It was a beautiful baptism and though bitter cold they came forth from the water with their hand up just shouting His praise.

Sunday evening we gave seven the right hand of fellowship. We thank God and take courage.

We closed our Sunday evening service with four more at the altar so this will probably mean another baptism in the future some time.

Pray for us, beloved. We are in the fight for all we are worth, standing strictly for full salvation with no side issues. God is blessing and honoring His truth and giving souls. We enjoyed Sister Hazel's preaching and singing. She is open for work with the brethren—first come first served. Hasten with your call.

Yours truly,

H. S. MULLEN

My Dear Bro. Trafton:

Greetings in Jesus' name. I feel I must write you a word about your last issue of the King's Highway, Nov. 30, giving the interesting account of the beginning and present history of the Reformed Baptist Church. I never laid down the paper until I read it all. I laughed and praised God in the Spirit; could feel the presence of God through the whole paper. It sure was wonderful and should stir our hearts for greater and more active service on every line. I felt my heart stirred and edified and encouraged; and from you (The Reformed Baptists) sounded out the word of the Lord not only in New Brunswick and Nova Scotia but also in every place your faith to God's Word is spread abroad so that we need not speak anything. 1 Thess 1: 1-8. We give thanks to God always for you all making mention of you in our prayers; remembering without ceasing your work of faith and labour of love and patience of hope in our Lord Jesus Christ. Praise the Lord.

It was most interesting to look into the faces of those you had in your paper. I just feel I am one of you. God bless you.

Most Sincerely

Dear Bro. Trafton:

I am enclosing a check for the Highway. I am quite well, thank the dear Lord for His loving care and blessings I receive from Him. I spent a very pleasant winter in London with our youngest daughter, returning to Brockton in December 1927 to spend the summer with Mrs. Norris, and I expect to spend this winter with the eldest son.

I do enjoy reading the Highway and hope to have it as long as I can read. Blessings to you and family, with all the Highway friends.
