In the obituary of Mr. William Spauld, in the last issue, mention should have been made of Mrs. Harris Gavel, who is also a daughter of the deceased.

QUARTERLY MEETING

The Quarterly Meeting of District No. 2 was held in the Reformed Baptist Church at Lower Millstream on Nov. 27th, and continued over Sunday. The first meeting on Thursday evening was opened by the President, Rev. S. A. Mullen. A short address was given by Rev. I. F. Keirstead on the invitation of the Master in John 7:37. "If any man thirst let him come unto me and drink", at the close of which a number of testimonies were given and a profitable time enjoyed.

Friday evening Rev. H. S. Mullin preached on the text, "What manner of man is this." Bro. Mullin preached well. An invitation was given to seekers but no one responded. Saturday afternoon at 2:30 the business meeting was called, with the President in the Chair. As the secretary was absent, Rev. I. F. Keirstead was appointed secretary pro tem. The roll call found the following ministers present: Revs. P. J. Trafton, H. S. Mullin, S. A. Mullin, I. F. Keirstead, Lic. Miss Hazel Mullin and Judson Sanders.

The following churches were represented by delegates: Saint John, Bro. Arthur Parlee; Mercer Settlement, Noah Hicks; Lower Millstream, Mrs. Alfred Taylor, Bro. Ottly Keith; Moncton, Bro. Abner Hopper.

The following officers were appointed: Rev. S. A. Mullin, President; Rev. I. F. Keirstead, Secretary; Noah Hicks, Treasurer; Rev. P. J. Trafton, Highway Agent.

Brothers Ottly Keith and A. Parlee were appointed by the Chair to act with the Pastor as a devotional committee. The delegates reported as follows:

Saint John reports the Lord is blessing us. The

pastor, I. F. Keirstead is helped in giving the messages which are made a blessing to the people. Our prayer meeting pretty well attended. Bible Classes on Friday evening interesting and helpful and the monthly Missionary meetings well sustained with good interest.

Moncton reports: Our preaching services good, teaching correct. Pastor appreciated. Early Sunday morning prayer meetings a blessing, also prayer meetings held Tuesday and Thursday evenings, monthly Missionary meeting held.

Brother Fred Goggan, reports good meetings at Apohaqui.

Rev. P. J. Trafton reported the work at Lutz Mountain. Special meetings were held, with the help of Rev. Ella Slipp. A good work was accomplished; some were baptized and united with the church.

Salem reported special meetings held by Pastor S. A. Mullin, assisted by Sister, Miss Hazel Mullin. The church was helped; some were baptized.

Upper Millstream reports special meetings being held by Pastor S. A. Mullin. We trust much good may be accomplished.

On Saturday evening Rev. P. J. Trafton brought the message, which was a timely one. Those present were helped by it.

Sunday at 9:30 a Love Feast was lead by Brother Arthur Parlee. The presence of the Holy Spirit was manifest. Earnest prayers were offered and a number of testimonies given. The preacher of the morning was Rev. I. F. Keirstead, he brought the message from 2 Peter 1:10-11.

At 3 p. m. Sister Hazel Mullen was the preacher, she used John 10:10. "I came that they might have life and have it abundantly". She stressed the thought that we must pass through the experience of sanctification in order to enjoy the abundant life.

Rev. H. S. Mullin brought the closing message in the evening. Quite a number listened to the earnest presentation of the truth, but none seemed willing to respond when the invitation was given. However the Lord's presence was with us and we are assured the Word sent forth "will not return unto Him void".

A number from Salem attended the meetings on Sunday and many more from a distance would no doubt have been there if the weather had been more favorable.

The next Quarterly meeting of this district will be in Saint John.

Respectfully submitted,
I. F. KIERSTEAD.
