A PRESENTATION

On Wednesday evening the 22nd inst, members of our church, and friends met at our residence where a very pleasant time was spent.

After prayer by the Pastor, an interesting programme was carried out consisting of songs, recitations and readings, after which Brother Ingersoll presented us with a generous purse of money in behalf of those present, as a token of their appreciation of our labors. We endeavored to express our grateful thanks for this gift, and our appreciation for their faithfulness in standing by us and for their cooperation to advance the work of the Lord since we came to Saint John and prayed heaven's richest blessing to rest upon them.

We have not been at our best by any means, owing to physical weakness, but these dear ones have had patience with us and we have had their prayers. As we are gaining somewhat, we trust we may prove more efficient during this year of 1930. We covet the prayers of every reader of the "Highway" in behalf of ourselves and our church. We want to see a real old-time revival, where souls will pray through to victory. The Lord grant this.

IS HOLINESS AN IMPOSSIBILITY IN THIS LIFE?

So some people say. There are not so many impossibilities as some people imagine. Napoleon once said to some who spoke of one of his projects as impossible. "Impossible is the adjective of fools." Holiness was not an impossibility in the days of Paul for he says of some of the Corinthian Church, "Be not deceived. Neither fornicators, nor idolators, nor adulterers, nor revilers, nor effeminate, nor abusers of themselves with mankind, nor thieves, nor extortioners, shall inherit the kingdom of God. And such were some of you, but ye are washed, but ye are sanctified, but ye are justified in the name of the Lord Jesus and by the Spirit of our God." And Jesus himself said of some in Sardis, as wicked a city as Corinth, "Thou hast a few names even in Sardis which have not defiled their garments and they shall walk with me in white, for they are worthy." Who will say that the power of God is not as mighty today? The cry of impossibility is often only an excuse. —Christian Witness.

CORRESPONDENCE

Cumberland Centre, Me.

Dear Brother Trafton:

Enclosed find check for renewal of "Kings Highway". We enjoy it very much and look for it regular each time. To me it is the "link", many calls the missing link between me and the church at home.

It makes my heart rejoice to see where souls are having victory and see the growth of Holiness. I have heard lately, several sermons, and many on Holiness, and I praise God that there are men and women left yet that dare to proclaim the full gospel.

I am still pressing on with victory, the glory be to God. I ask the prayers of all the readers of the Highway that I may never falter in the service of the Lord. Praise His name.

Dear Brother Trafton:

Please find enclosed, renewal for The King's Highway. We certainly enjoy it, it is food for our souls. We do not have the privilege of meeting with God's people. We still keep the blessing of holiness in our souls. Praise His dear name forever.

JESUS THE MOUNTAIN MAN.

Redeemer Jesus was a mountain man:
Before His birth the stainless Mary stayed
For months in a Judean mountain town.
Christ's sermon, eloquent forevermore,
Was spoken on a mountain; majesty
Of mountains marks that utterance sublime.
Our Lord on His Transfiguration Day
Appeared in glory to the chosen three
On Hermon's height. He was attended then
By Moses meek, and by Elijah bold,
Heroes of Carmel and of Sinai.

All night upon a mountain Jesus prayed,
And knew the Father's radiant presence there.
Upon Mount Calvary the Son Divine,
The Lamb of God, who bore the whole world's sin,
Became atonement for the race of man.
That Lamb of God, once wounded, mocked and slain,
Now glorified, upon Mount Zion stands.

Redeemer Jesus was a mountain man:
God has exceedingly exalted him,
And given him a name more eminent
Than Alexander's or Napoleon's,
A name to other names superior
As Everest o'ertops all common hills.

Oh, Great Exemplar, may I follow thee,
And in the secret place of the Most High
Forever dwell, and have a mountain soul,
All fearless, uncontaminated, free.
