A great revival is on at the mission station in South Africa. One hundred souls seeking salvation the first ten days, seven demoniacs healed. The meetings continue, pray mightily.

A DONATION

On Friday night, Jan. 30th, which was a very stormy one, a goodly number of the members of the church and our friends, visited the parsonage at Hartland, N. B., and spent the evening in a profitable way which included singing of hymns and prayer, and before leaving Brother Zida Orses on behalf of those present presented the pastor and his wife with a purse of money as a tangible token of their generosity (we call it) but they said of their appreciation of the pastor's labors. We are indeed very grateful to these kind hearted people and pray that God will help us to be worthy of all these blessings.

PRESENTATION

We were invited to the home of Deacon and Mrs. Wm. Stanley, 52 Elliott Row, St. John, N. B., Jan. 29th, where we met over thirty members of our church and other friends and spent a very pleasant evening. After prayer by the Pastor, several gospel hymns were sung, then Deacon H. K. Ingersoll was appointed chairman.

During the evening readings were given by Miss Ruth Grant, Mrs. A. L. Bubar, Miss Joyce Hudson, Mrs. F. D. Foley, Mrs. H. K. Ingersoll, Raymond Parks and F. D. Foley, and an address by Mr. Stanley, in reference to our church work and expressed appreciation of services rendered by the Pastor, and then presented him with a generous purse of money from those present and others.

We endeavored to express our grateful thanks for another token of good will and fellowship, and our appreciation of their kindness shown us since coming to Saint John, asking the Lord's blessing to rest upon them. We also emphasized the importance of their co-operation in daily prayer, for a real revival in our church and community.

Refreshments were served by the ladies, and boxes of food sent out to shut-in members.

NOTE: CORRECTION—In the Jan. 15th number of the Highway, Interest of \$3.80 on the Alice Boyer Memorial Fund was reported. It should have been Mrs. J. W. Boyer Memorial Fund.

Also we will need this year a larger appropriation for home missions than usual as we are helping several weak circuits and are planning to extend our work when the spring opens by tent meetings, and our expenses on the foreign field not as great as usual.

I. F. K.

A life may be very brief in this world, and yet complete. The man of sixty summers in the world of sin cannot say at death that his work is done, while the little babe that has brought joy into the home and then, after a year or ten years, returns to God can say, "I have finished the work Thou gavest me to do."—Zimmerman.

MIND THE CHECKS

Walk in Spirit. Be careful to heed His gentle admonition. When you start in the wrong direction He will gently restrain you. Mind the checks. You are indulging in a certain conversation; suddenly there is a gentle pressure to desist. Mind the checks. You are pursuing a line of thought, or you are engaged in certain transactions, when lo! the still, small voice whispers "Stop." Mind the checks. Recognize the voice and instantly obey. Here is where many fail. They do not promptly heed the Spirit's warning and thereby hurt themselves, and grieve Him. "If we walk in the light as He is in the light, we have fellowship one with another; and the blood of Jesus Christ His Son cleanseth us from all sin."—*Perfect Love.*

FOREIGN MISSIONS

We believe there is no branch of the church work that is showing such a big dividend as the work of Foreign Missions. The individual that feels he or she is throwing money away when given to this branch of the work is very much mistaken.

We have everything to encourage us in our work in South Africa. In another column we are printing a copy of a wireless message, that came to us on Feb. 10th, which caused our hearts to overflow with thanksgiving and praise to Almighty God, for his wonder working power. Jesus said to his disciples, "He that believeth on me, the works that I do shall he do also; and greater works than these shall he do; because I go unto my Father." St. John 14:12. These promises will be verified to the individual that will assume the responsibility. Praise the Lord. Let us keep faith with God, invest our means in holiness missions, and live where we pray the glory down, and see the result.

MY DREAM

A wonder came in my sleep to me,
A dream all bright, for I seemed to be
Of those disciples the Scriptures name
The blest "five hundred" to whom Jesus came
And showed Himself alive and to them did accord

The bliss of seeing their risen Lord.
And Oh, the rapture that thrilled me through,
As sweet as wine of the Kingdom New,
When I held that hand where the nails had been,
That blessed hand where the nails went in,
And caught the look He bestowed on me,
That look of love. Oh! the ecstasy!

To each high honor it was that he
O! the risen Lord should a witness be.
As strange as sweet was the dream I dreamed:
That disciple band in my vision seemed
Not saints remote of our era's prime,
But common folks of the present time.
The wonder of it upon me pressed,
And bye-and-bye I the meaning guessed,
That they who show in their lives each hour
The resurrection's transforming power
As truly witness that Jesus rose
And put to confusion all His foes.

As did those five hundred women and men
Who said they had seen Him alive again.
Yes, witness we may be of the fact as true,
As though we lived when the church was new.
And oh! I pray we may "know the power
Of His resurrection" each day and hour.
