QUARTERLY MEETING

(Continued from Page Four)

of the law and love toward God. We must follow the sermon on the Mount and not church creeds. Calvary referred to as the mountain of instruction, sin awful but the love of God provided a sacrifice for sin. Jesus travelled to Calvary to redeem a lost world. Calvary, the greatest mountain of all, Mount of consecration, Mount Moriah, Abraham and Isaac referred to. Mount Zion close to Moriah. This was a real good sermon which was followed by the ordinance of the Lord's supper.

At 3 o'clock Rev. E. W. Lester brought the message from Prov. 23-23: "Buy the truth and sell it not." In the midst of buying and selling value of truth, what is truth? Jesus said, I am the way, the truth and the life. We are to bear witness to the truth. People are not willing to pay the price. This was a real good message which should cause people to do some serious thinking.

At 7.30 o'clock Rev. F. A. Watson brought the closing message from Gal. 1-4, explaining the present evil condition of the world. The people of God to be channels of blessing to reach the world. The world is not a safe place to live in without God. The devil getting people young, living in perilous times, a world of bondage and days of testing. In spite of these conditions God has provided complete deliverance from sin, the will of God even your sanctification. Brother Watson brought this message in the power and demonstration of the spirit and there was a good deal of conviction on the people. A few souls were at the altar and seemed to get helped. We had a real good testimony meeting. Thus brought to a close a real good quarterly meeting. Good crowds in every service in spite of the inclemency of the weather. We trust the meeting will be a help to the people at Millville. N. C. COCHRANE

CORRESPONDENCE

Everett, Mass.

Dear Brother Trafton:

In reading the Highway I noticed that you are starting a Young People's Column, and thought the enclosed might be of some value to you.

I have been praying for a real manifestation of His power again at Beulah and wish it were possible to attend, as I will never forget the help I have received there, and can truly say Jesus grows sweeter as the years go by.

Am glad I prayed through when a revival of Holiness swept over New Brunswick and Nova Scotia over forty years ago. We went through on the death route line, and the Holy Spirit flooded our souls with glory, joy and victory. Since then I have had leanness of soul at times, and been tested and tempted, but have never let go of Jesus. Bless His sweet name.

I do not get to church often on account of a sickness a year ago, and have not regained my health entirely. I am looking for His glorious appearing.

His mighty hand is holding on to me.

Your sister in Jesus,

MRS. J. H. SABEAN

Toronto, Ont.

Dear Brother Trafton:

Please find enclosed renewal for The King's Highway.

We are both well, and are looking forward to a trip home in September.

Yours truly,
