Report of Churches:

Beals—To the Quarterly Meeting at Seal Cove. The Church at Beals, Maine, sends greetings. We wish to report our Church in good standing. There has been three young ladies united with the Church since the last Quarterly session.

Our Pastor is faithful in bringing us the Word of God and delivers some very inspiring sermons which we feel are a blessing to all who hear them.

We are trusting God will bless in this Quarterly Meeting and much good may be done.

VINTON BEAL, Clerk.

Calais—Quarterly Meeting, Dear Brother:

In reporting to your Quarterly Meeting, we wish to say that the work here has been carried on by the faithful members this summer.

On Tuesday evening we hold a special prayer meeting which proves a benefit to the people and also to the Church.

Our Sunday School is increasing which is encouraging.

We are now looking forward to Brother Bradley's coming in with us and trust that the work will be greatly built up.

We pray that the Quarterly meeting will be a great blessing to all who attend.

FLORENCE H. BERRY, Clerk.

North Head—To the Brethren of the Quarterly Meeting, Greetings.

We are going on in the Lord having the assurance of his blessing on all who are in His will. As has been our custom we have a prayer and testimony meeting Sunday morning at quar-

ter of ten o'clock. The Spirit seems very near in these services and souls are blessed in these services. Brother Sanders, our pastor, and Sister Sanders both preach. We get good spiritual food from the Word of God while sinners are warned to flee from the wrath to come. Our Wednesday night prayer meeting is very well attended.

The Sunday School has kept us a little better this summer. A missionary meeting is held by the society once a month.

We pray the Lord's rich blessing will be with you in the Quarterly meeting.

EDWIN REDMOND, Clerk.

Wood Island—Dear Brothers and Sisters in Quarterly Meeting. Greetings from Wood Island Church. We, in making report say that being somewhat scattered at present, and recently also because of sickness our meetings have lost somewhat in interest and attendance but there is evidence of a real Godly concern for the welfare of one another, and thus the Spirit of Christ is manifest among us as a church, for which we thank God.

We have recently organized our Missionary Society, having a charter membership of about twelve.

Our Sunday School is also fair. We appreciate the labor of our Pastor Brother F. A. Dunlop who seeks to lead us on to be something for God, and we feel the stir of the unlifting messages to attain to God's revealed plan for our lives, not a mere formal routine of service and worship, but a spontaneous spirit inspired service of the heart.

We trust you have a very profitable meeting and to this end may grace and peace be multiplied to you all.

EUGENE WILCOX, Acting Clerk.

Jonesport—Dear Friends of the Quarterly: I am glad to report victory in my own soul. Jesus saves and sanctifies, praise His name forever.

Our church has improved greatly since Brother Wilson came with us. We believe that God can use him in this place, and will use him. He gives us some straight forward messages, and cuts no corners. We thank the Lord for a man like Mr. Wilson, who was not afraid to take up the work here.

The last two weeks we have been fighting a battle with Satan, and would you believe it, Satan was really on the job. It was over a week before things were broken up and the victory won for God in backsliders coming back to God and believers sanctified. There were seven at our altars for forgiveness and four for sanctification. Praise God for the victory. Brother Green preached enough messages, and the children of God prayed enough to save the whole of Jonesport, but they would not. We would not forget to mention the little girls that have given their hearts to God, and it would do your hearts good to hear them testify and sing for the Glory of God.

Trusting that the Quarterly will be a success, I am

Yours in Christ,

LEOLA BARNES.

Seal Cove—As we write our report, we look back since our last Quarterly and see where our Heavenly Father has guided us, and we thank him for our watch care and love.

While our church is not where we would like to see it, as far as members are concerned, we feel that we have faithful and earnest members, who are interested in God's work. One

new member has united with the church since last Quarterly, and we know if we prove true and faithful our labors for him will not be in vain.

Our Pastor is faithful in his messages, both to the church and the unsaved, and we feel grateful for men who dare to preach the whole word, in these days of criticism and fault finding.

Our Sunday School is well attended and very encouraging, the missionary meetings are held the first Thursday of each month. We are trusting God to guide us and give victory.

RUE INGALLS, Clerk.

Brother Chas. Beal and Rev. H. C. Archer gave a verbal report on the Alley Bay Mission. A vote of thanks was then given the Church at Seal Cove for their hospitality in entertaining the Quarterly meeting. Moved and seconded that the Secretary write the Calais Church expressing appreciation of their report, but regret the absence of both pastor and delegates. Moved and adopted that the Secretary write Brother Hagerman a letter expressing regret of his absence from our district and meeting.

The Devotional Committees report was received and approved.

Saturday evening Lic. P. H. Green spoke from the text found in 2nd Cor. 1:10. Our Brother gave us a wonderful message on deliverance.

Sunday morning at 9 a. m. a social service was led by H. S. Wilson. He spoke from Ephesians 4th chapter. At 11 a. m. Rev. H. C. Archer gave a good message from Luke 12:38. Our Brother stressed the necessity of being ready at all times, but especially in the second and third watches of life.

Sunday School at 2:30 p. m. The Sunday School was given over to the visiting teachers and superintendent.

Sunday evening Lic. F. A. Anderson brought the closing message from two words found in 2 Cor. 13:11. Be Perfect. Our Brother certainly did bring a wonderful message, proving by God's word that we as His children must Be Perfect to be pleasing to Him.

At the close there were three at the altar for the blessing of entire sanctification. We believe that this was a great meeting and a blessing to the Church as well as to those attending.

Let us keep up the good work.

Your Brother in Christ,

LIC. H. S. WILSON, Secretary.
