

and the spectroscope: It is the way of faith. The philosopher with his speculation may guess at the higher things and come very near to reality at times, but O how short he comes of a satisfactory revelation. The scientist goes so far in his demonstrations, but sing no song of hope and speak no words of cheer beside the open grave. Yes, he can say "Earth to earth ashes to ashes and dust to dust." His science takes him that far, but it throws no ray of light beyond the tomb and hears no rustle of an angel's wing. Thank God for a divine revelation; for triumphant Christian faith, which cries "For we know that if this earthly house of our tabernacle were dissolved we have a building of God an house not made with hands eternal in the heavens. Where can you find such consolations save in this good book; "A lamp to my feet and a light to my pathway."

We trust the blessing of God will be upon the Meeting, and souls will be saved.

VINTON BEAL, Clerk

Wood Island: Dear Brothers and Sisters at Quarterly Meeting: Greetings in the name of the Lord.

In making this report would say, since our last meeting we have been endeavoring to hold steady and true, and to serve and glorify God, but cannot say that as a whole we are as active and as interested as we have been formerly. Our busy time is on and its effect is visible in our spiritual activities. Our Sunday School is doing fair, also the missionary work under

the leadership of our new president, Miss Oral Green.

Trusting your meeting together will be honoured greatly by the manifest presence of God, we pray for the same.

Yours in the bond of Charity,

EUGENE WILCOX, Acting Clerk.

North Head: To the Brethren of the Quarterly Meeting at Calais, Maine: Greetings:

We can report the Lord's continued goodness to us since the last Quarterly Meeting. Church work in its various branches is being carried on regularly. Our preachers do not fail in holding up Jesus as a complete Saviour and Sanctifier.

May God through the Holy Spirit richly bless you in this Quarterly Meeting.

EDWIN REDMOND, Clerk

Seal Cove: To the Quarterly Meeting convened at Calais, Me., Greetings:

As we again send in our report to the Quarterly, we are reminded how swiftly time passes, and as we look back since the last Quarterly we can see how wonderfully God has cared for, and blessed us.

Our Church is looking forward to a revival the first of the year, and we know that if we are faithful and keep much in prayer God will not disappoint us.

Our meetings are quite well attended considering the busy season and God blesses us in each service.

Sabbath school is good, both in attendance and help received from the study of the word.

The Missionary interest is fairly good with meetings each month.

Our pastor is faithful in preaching the word and in all the work we feel like pressing on. May God bless at the Quarterly.

RUE INGALLS, Clerk

Jonesport: Please find report enclosed.

Calais: Dear Brethren: In reporting to the Quarterly Meeting we wish to say that since last Quarter Brother and Sister Bradley have come in to take up the work here, and they have already proved a great help and benefit to us.

Our services are well attended and God meets us in a marvelous way each time we gather. Our prayer services have proven a great benefit to the church as well as to all who attend.

The interest and attendance of the Sunday School has greatly increased which is very encouraging.

During this quarter there have been seven reclaimed.

Brother Bradley is preaching us fine, stirring messages and we are all blessed by them.

May this meeting be a great blessing to all who attend as well as to the Church here.

Yours in Him,

FLORENCE H. BERRY, Clerk

West Jonesport, Maine

Greetings to the Quarterly Meeting at Calais from the Jonesport Church:

We are glad to be able to report the Spiritual condition of our Church as good, and we think better than when we reported to the last Quarterly. All those that made a start in the last revival are standing true, as far as we know, and only two weeks ago another backslider was reclaimed.

We believe that God is speaking mightily to hearts, and we believe if people obeyed

God's voice that many more would be at our altars.

Our meetings of late are well attended and good interest is shown and God is blessing. Our pastor, Mr. Wilson, is giving us some wonderful preaching and we believe that God inspires every message. They are very helpful to us as followers of our Saviour, as well as fearful warnings for sinners to flee the wrath to come. Since the last Quarterly session our pastor has done some outside work, having held two Sunday afternoon services at Head Harbor Island, and two or three services at Alley's Bay Mission. On three of these occasions a goodly number from the church accompanied him.

We have our regular Sunday morning service, followed by Sunday School, Sunday evening service, Wednesday night prayer service and a special prayer service on Thursday afternoon, and God is richly blessing us in these services.

We trust that this Quarterly session will be a time of great blessing to every one, especially to you friends of the Calais Church.

LEOLA BARNES,

Clerk of the Jonesport Church

The report was read from Brother Archer and accepted. Moved and seconded that we also accept the invitation to Beals for next Quarterly. Motion carried. Moved and seconded that a vote of thanks be extended to the Calais Church for entertainment. Report of devotional committee brought in and accepted. Moved and seconded that we adjourn.

The Sunday School convention was held at the close of the business session Saturday afternoon. Prayer by Brother Bradley. After the regular business Mrs. H. C. Sanders gave us a talk on Sunday School work. Session closed with prayer by H. S. Wilson.

Saturday evening Mrs. H. C. Sanders brought us a wonderful message on prayer from text found in Luke 18:1.

Sunday 9.30 a. m. love feast led by Brother Eugene Wilcox from three phases found in the Psalms, namely: In His favor is Life; in His presence is fulness of Joy and at Thy right hand are pleasures forever more.

11.00 a. m. message by H. S. Wilson. Text from three words found in Genesis 3:9: Where Art Thou? At the close of this service there was one seeker at the altar for Sanctification. Sunday school was held at the close of this service.

Sunday 3 p. m. Rev. Mrs. Sanders brought a touching message from Rev. 22:17.

Sunday 7 p. m. Rev. F. A. Dunlop preached from the text found in 2 Kings 2:9. Theme: A desire for Spiritual things. This as usual was a great message with ten seekers at the altar. Two were for Sanctification, two for pardon, and six for reclamation, making a total of eleven seekers during the Quarterly. We feel that this was a wonderful meeting, a great uplift to the church as well as to visiting delegates. Let us keep up the good work.

Yours in the Lord,

LIC. H. S. WILSON, Secretary
