

CORRESPONDENCE

Lower Millstream, N. B.

Dear Highway:

Perhaps a short report from our corner of the vineyard would not prove amiss.

We began special services at Salem on Sunday, Aug. 30th, with Brother and Sister H. S. Mullen as evangelists. These services continued over five Sundays, ending on Sept. 27th, and were very well attended, the church at times not being able to accommodate the crowds who gathered. The results were good, there being a score or more who knelt at the altar and professed to pray through to victory.

On Oct. 4th we began meetings in the Orange Hall at Wheaton Settlement which continued over three Sundays. Here we had large crowds and good results. About a dozen made a start in these meetings. As we were unable to engage the hall for longer, we closed Sunday night, Oct. 18th, but we are planning to begin work on a new Reformed Baptist Church building in this community at once.

We believe that Brother and Sister Mullen both put forth their very best efforts in both of these campaigns. The preaching and singing was good. Sister Hayes, of the Head of Millstream, also assisted in the singing.

We praise God for the victories won, and take new courage. Pray for us!

Yours in His service,

S. A. MULLEN

Rev. P. J. Trafton,

Moncton, N. B.

Dear Brother Trafton: Enclosed please find renewal for my subscription to the Highway.

We enjoy reading it very much; also it keeps us in touch with the work in the East. We have been away so long that many of the names mentioned are new to us—it is almost twenty years since we left Saint John.

The work here in Vancouver is going along very well. God is blessing, and we feel like praising Him for all he is doing in our midst. Of course the battle is raging, but we must expect this when a definite stand is taken for a clean cut separated life.

Was very sorry to read of Rev. G. B. Trafton's death in the last Highway. We pray that the Lord will comfort and sustain Sister Trafton and the family in their great loss.

Yours in the Master's service

Dear Brother Trafton:

We feel that we should report on the work here in this part of God's vineyard.

On Sunday, Sept. 13th, we put on a series of special services, which lasted for two weeks. We had Brother Percy Green, of Wood Island, Grand Manan, as our evangelist. Brother Green, under the anointing of the Holy Spirit, brought some wonderful messages, which were used of God, in the saving of souls, and the sanctification of some of the believers, and the church as a whole was built up and strengthened, for which we praise God.

Let me say right here that Brother Green is a wonderful man of God, and anyone who could be fortunate enough to obtain him as an evangelist would be making no mistake.

Then on Thursday, Oct. 8th, Brother F. A. Anderson, of Black's Harbour, was with us,

and stayed over the Sabbath, preaching for us the four nights of his stay here. Brother Anderson gave us some real good holiness preaching, which was a blessing to all. We praise God for men like these brethren, and surely do enjoy working with them in the ceived in the revival services.

As we look back over the last three months' work here, we feel to thank God for His manifold blessings, and the encouragement received in the services.

Yours in the Master's service,

Our Missionary Society has sent no report to the Highway for a long time, but we are still working.

Our very efficient and worthy President, Mrs. C. Mutch, has consented to take the chair for another year. First and Second Vice-Presidents are Mrs. Lester and Mrs. Campbell. Mrs. Viva Watson, Treasurer, and Mrs. W. B. McLeod, Secretary.

The roll call at our October meeting was answered to by texts on giving. The Scripture reading, the subject of which was Thanksgiving, consisted of texts on that subject, read by the members.

The matter is in the hands of the Programme Committee, of obtaining literature on missionary subjects to be read and discussed at our meetings.

Rev. P. J. Trafton, Dear Brother:

I am enclosing my renewal to The King's Highway. I am soon going to Detroit to spend the winter with my youngest son Harry. I ask an interest in your prayers for me and mine. I see by the Highway that Brother G. B. Trafton has passed on. We always enjoyed having him come into our home, he was so pleasant, we thought a lot of him. I sympathize with his wife and family. I think I am the only Charter member, of the Reformed Baptist Church in Fredericton, now living.

I am trusting the Lord to keep me through to the end.

Yours respectfully,

JANE MAXON

Dear Highway:

Greetings in Jesus' name. We were thinking we ought to send in a line or two as to our whereabouts. Since we left Westchester, May the 28th, as pastor of the church there, we went first to Brazil Lake, where we assisted the Rev. H. E. Mullen in a tent meeting lasting over four Sundays. We had one blessed time with that dear brother and people of that field. We saw about forty make their way to the altar of prayer. Secondly we went to New Tusket and assisted Rev. H. C. Mullen in the church for a week. I think there were about fifteen forward there. Thirdly we went to Beulah Camp for the Camp-meeting where we remained in charge of the work, after the camp till, Aug. the 24th. We had a very enjoyable summer at that beautiful spot on the Saint John. God blessed us there, preaching His Word to a fair crowd during those weeks. We made many new friends and I trust lasting. We were given many an encouraging word as to the truth we presented. We feel many were helped because of their receptive attitude. May God richly bless them all. We left

the camp ground and went to Westchester, moved our household goods to Havelock, Digby Co., N. S., which is our home address, and returned Aug. 29th to the above address, where we are at this time entertained, assisting Rev. S. A. Mullen in a revival campaign at Salem about four miles distant. We did not know whether we would go on here any longer than the three Sundays but the meetings are going on so well that we feel it best to continue on another week over the 20th. Several have found their way to the altar of prayer and many are requesting prayer.

We covet your prayers for us as your home missionary this year. We remain on this field for another campaign after which we go D. V. to Lutz Mountain for a series of meetings and on and on we go as God directs.

Mrs. Mullen is here assisting in the work with us. She is not under the Board, but we must have some one with us to lead the singing and assist otherwise especially where the pastor cannot be with us all the time and where there is no pastor. I think the people will appreciate her labors enough to give her a free will offering for same.

Those wishing our assistance as home missionary, please write Rev. L. T. Sabine, Marysville, N. B., Rev. I. T. Keirstead, 1A, Carleton St., Saint John, N. B., or Rev. P. J. Trafton, 80 Weldon St., Moncton, N. B., the committee to make out our slate as Home Missionary for the year. Different ones have said, put a home missionary in the field and I'll give a hundred dollars towards his support. Now is your chance. Send in your fives, tens, twentys, fifties and hundreds. God will bless you in doing it. He's blessing us in the work. It is doing us good here to see the many hearts broken up and tears of repentance freely flowing, while the mouth opens and prayers are freely offered and presently a definite testimony given of their acceptance with God. Praise the Lord. We give Him all the glory. I love Him today. He saves and sanctifies just now.

Yours for full salvation,

H. S. MULLEN
