The Secretary Treasurer read his report and the reports of the following Sunday Schools (as per the attached reports):

Moncton, March 18, 1932

Dear Brothers and Sisters:

How our hearts and voices should go out to God, Our Heavenly Father, in thankfulness and praise for a Sunday School in our churches, where we can meet together every Sabbath and study the precious word of God and teach it to our children in its purity. We are glad, yea, thankful too, for what is being done in our churches, in Sunday School work, yet we are not satisfied because a great deal more can and should be done in this work, a work that has accomplished so much in the past for the children of men in leading them to Jesus, the Great Shepherd of the flock.

I would urge all Sunday School teachers to teach the Bible as the inspired Word of God, get the children to memorize it, yea, the adults also, the officers and scholars of the schools to try to induce more folk to attend the Sunday Schools and in this way endeavor by careful prayerful tact, being workers together with the church to win souls for the Master.

Following is the reports from the schools:

Reports from the different schools of District No. 2 as have been received:

Moncton—Our School is in good state of advancement. Interest is good; attendance is regular.

NORMAN TRAFTON, Sec'y.

Saint John—Our School is in good condition, and the Lord is blessing His work; we have a program for special Sundays, Temperance Sunday, etc., and these programs have a tendency to stimulate interest.

J. M. PARKS, Sec'y.

Head of Millstream—Our Sunday School is evergreen, attendance good. This school sends \$1.00 to District Convention.

VILIS HAYES, Sec'y.

Grey's Mills—Reports our numbers are quite small on account of so many of our young people away from home, but the interest is very good, the average attendance is good. Our school is evergreen. Six prizes were given at the end of the year for regular attendance.

MRS. W. W. PATTERSON, Sec'y.

Westchester S. S. reports: Our numbers are few but the attendance is steady, and interest good. Our school has been closed for three Sundays, due to an epidemic in the community, and the expenses for papers etc., run on just the same. The funds have been getting low, hence we are sorry to have no contributions to send to the Convention this time; we are trusting the Lord to help us in this great work of the young, the story of Jesus, and to realize the responsibility that rests upon us as older folk, to rightly proclaim the Word of truth—Jesus said: "Suffer little children to come unto Me".

OLIVE CUMMING, Sec'y.

Amherst S. S. reports a membership of 20 with an average attendance of 14. They sent a donation to the District Convention of \$1.00

MRS. EMERY COSMAN, Sec'y.

I would urge on all Sunday Schools in our District to send the Quarterly reports for each Convention in so doing we can all be workers together in this great work for the Master. "Unity is Strength." Respectfully submitted,

S. H. BRADLEY, Dist. Sec'y.
