

- action on behalf of better Government.
4. That we use our franchise not only according to our pledge but also to elect for Councillors and members of the School Boards or our locality, those who stand for all forms of moral reform and good government, and who are Christians at heart. When expedient we shall use our influence to put a W. C. T. U. woman on the school board.
 5. That each Union will if possible appoint one or more representatives to attend the trial of available open court cases and report as desired. Such a policy where expedient would link up more closely our work with court procedure and with court problems and on the other hand would help to practically demonstrate and our interest and our influence as a potent factor for better government.
 6. That a section at the back of our Annual Report be given to the subject of Abstracts from various of New Brunswick's Laws.
- Liquor, lawlessness and crime are three inseparable agencies that spell the doom of a nation.
- When we shall have succeeded in putting liquor out of business in our province, we shall have succeeded in large measure in striking a killing blow at lawlessness and crime.
- We can make our Province dry and law abiding. Shall we not try more and more.
- God with us, Christ for us . . . and all the Temperance forces working together for law and order.

It can be done—Let's do it!

MRS. STEADMAN SMITH

CORRESPONDENCE

Seal Cove, N. B.

To the Highway Readers:

Dear Friends: I believe a report from this field is in order.

Returning after Beulah we were delighted to find the church and church property undergoing extensive repairs.

The vestibule was renovated from top to bottom. The old foundation was torn down and replaced with a fine cement wall; also cement steps leading into the vestibule which give the building a very neat and substantial appearance.

The inside has a nicely polished hard-wood floor. The walls and ceiling sheathed with Douglas fir. The old doors also were replaced by new, making a very fine job throughout.

The foundation of the main building was repaired. A few minor improvements were made, and then with a good coat of paint applied freely to both the walls and roof, the entire building presents an inviting place for worship. There was also a fine work of grading done, making a great improvement to the church lawn.

The parsonage was given whatever repairs found necessary and also a thorough painting.

The barn was resilled, refloored and painted. New doors hung, etc., so that the property as a whole is in first class condition and is a credit to the community.

The work was done by a few skilled workmen and a large number of volunteers, thus, the whole job was accomplished by a surprisingly small figure in actual dollars and cents for the amount of work done.

This work undertaken and done so thoroughly in a time of financial depression receives much thanks from the pastor and his wife and gives us a new urge to do our best in return.

We wish we could report greater progress

from a soul-saving stand-point. We have seen little to encourage us in this respect. However, our attendance is as good or better than at any time since we took up the work here, and there is a noticeable amount of conviction upon some who are much in need of God's saving grace. Our members are faithful in their services to the church. Our song leader, Brother Rue Ingalls, the organist, Sister Ingalls and the entire choir, made up of men and women that any church can be proud of, deserve special mention. Their singing is in the spirit and the "Specials" are the type that makes folk want to come again. We owe much to our choir for the good attendance each Sunday.

The pastor is well provided for and with this is made to feel by the people in general to be a very necessary part of each service. Our people at Wood Island are the same steady, loyal band that have produced for themselves a record of steadfastness and depth of spirituality unsurpassed by any church in the denomination.

Their services either bring folk out into the light or causes them to take such a stand against it that sooner or later Jesus' words are made very applicable to them, viz., "If the light that is in thee becomes darkness, how great is that darkness?"

I have noticed that visitors from outside places who attend services in our Wood Island church, very frequently respond to the first opportunity given them to seek salvation or sanctification.

This is a positive proof of God's power poured out on our holiness meetings. It is also a proof of how much Holy Ghost power is being resisted by people who pass through our revival and camp meeting services year after year. No wonder some of our middle aged men and women are as hard as rock when we remember the Word of God declares the gospel to be a "savor of life unto life or death unto death."

Nevertheless we have a God whose power is unlimited, and to Him we will look and believe for victory.

Yours saved by His mercy and grace,

F. A. DUNLOP

Lower Millstream
Kings Co., N. B.

Dear Highway Family

We feel very thankful to our Heavenly Father to be able to report in the columns of our paper once again.

I started away to Riverside in August to attend the camp meeting, only intending to be gone three or four days, and was unable to return for eight weeks. On the way home I stopped off at the home of my father-in-law to get my wife and family, who were visiting there, and the children took scarlet fever, and before we got through with it my wife and I both had it. The youngest did not mind it much, but Dorothy, wife and I each were in bed two weeks. Of course we could have been more sick, but thought we had sufficient for this time. Personally I never was so sick in my life. This finds us all home and regaining our strength once again.

Right here we want to express our gratitude to all who remembered us so thoughtfully during these trying times. Several individuals sent donations to us, without which I don't know just how we would have gotten along at all.

The Killam's Mills folk especially deserve credit. They took their regular offerings for

their pastor while sick as though he were there. This assisted somewhat towards our expenses, which were quite heavy.

The services were carried on in most instances by the members themselves leading; and a revival spirit is quite manifest in both Head of Millstream and Killam's Mills churches. They have had converts in both places in our absence. We intend to put forth special effort in both these places as soon as we can get around to it. We had plans to do big things this fall, but all our plans have been thwarted. But we trust our God to overrule to His glory and the salvation of souls. We earnestly covet the prayers of all of those who read these lines.

Killam's Mills Church is only an infant church and is struggling against many difficulties. We had the tent chairs for a while, but they have taken most of them from us and we don't know what we are going to do. We need help and if any one has some money that belongs to God we would appreciate it if you would give us a lift. This work is God's work and a wonderful work it is.

Once again thanking all who remembered us by letter, phone, and in their prayers, and with their finances, we say thank you. God bless you! Amen!

Yours in Jesus' Name

S. A. AND MRS. MULLEN

Dear Highway: Woodstock, N. B.

On Monday evening, Oct. 17th, the Young People's Association of the Woodstock Church, were greatly helped and encouraged by a visit from pastors and members of the Young People's Holiness Association of Marysville, Fredericton and Meductic.

Two hymns were sung, Scripture was read by Miss Bernice Fox, of Woodstock. Prayer was offered by Brother Owens. A word of welcome was extended to the visitors by the pastor.

Special music was rendered by the Marysville Male Quartet. A duet from the Fredericton Church by Sister Blanche Young and Brother George DeLong. Later we were favored with a special from the Meductic Quartet.

The address was brought by Rev. F. A. Watson from the words as found in Matt. 6:33. All were vividly impressed with the necessity of seeking first the Kingdom of God and his righteousness.

At the conclusion of the message the Woodstock trio brought a message in song, which was enjoyed by all. A vote of thanks was extended to all visitors with a hearty welcome for another visit. A closing prayer was offered by Brother George DeLong.

Before returning home a delicious lunch was served at the home of Mr. and Mrs. George True. We feel this meeting has been of great import. As a result, we feel encouraged in the Lord.

Yours in His service,

HOWARD ROBERTSON

"Faith and love are like a pair of compasses: faith, like one point, fastens on Christ as the center; and love, like the other, goes the round in all the works of holiness and righteousness."

Every young convert should be urged to advance immediately and rapidly beyond the point of irksomeness of service into the religion of unutterable gladness in Jesus.—Dr. Daniel Steele, in "Mile-Stone Papers."
