

are grateful for a shepherd who preaches the whole word of God, and believe it will accomplish much in strengthening the church, and the salvation of sinners. We feel like pressing the battle for holiness, knowing our Heavenly Father is faithful.

Calais: To the Quarterly Meeting at Wood Island:

Greetings in the name of our Conquering Christ. Time has brought us another quarter nearer the hour when we shall see our Saviour face to face. We feel encouraged with the way the Lord has blessed our work during the past quarter. During the special meetings which we had with Brother H. E. Mullen as evangelist, we had nineteen different seekers. Several of those were for both the blessing of regeneration and entire sanctification. A few have fallen by the wayside but a good percentage are holding true. We have also organized a Young People's Society since last quarter, which is a blessing to all who attend. This is held each Tuesday evening. Our other services are quite well attended and we trust that the summer months will not cause a falling away. Our pastor is preaching the Bible in the old fashioned way and hearts are being blessed. God has done a good work here since Brother Bradley has come, and we trust that he may find us all faithful, and through us do a still mightier work. I am sure that the church has much to thank and praise God for in sending Brother and Sister Bradley to us, and who are faithfully laboring with us to advance and uphold the work here. May God's richest blessing rest upon the Church at Wood Island and all who attend the Quarterly Meeting.

Alley's Bay: The Reformed Baptist Mission at Alley's Bay, Beals, sends greetings:

It being my duty to report the work in this place will say with pleasure the work is going on fine. We had our Mission repaired last summer and in the winter Brother Wilson assisted by his wife did some good work in this place. Quite a number of services were held and the power of God came down and many backsliders were reclaimed and a number converted. We have a good Sunday school well attended. The last 19 Sundays we averaged 41. Services in the afternoon and evening, also prayer meeting Wednesday evening and Young People's meeting on Friday night. Brother Wilson comes over and preaches for us when convenient. We appreciate his labors, and we believe him a true man of God. Wishing you God's richest blessing in the Quarterly Meeting.

MRS. MELVIN J. WALLACE (Clerk)

Jonesport: Greetings to the Quarterly from the Jonesport Church:

The time has come when we should report the spiritual condition of the Church. We did not feel that in numbers much progress had been made, but last Sunday night three souls were at our altar and found pardon, this making six since last reporting, but we are sorry to report that only one of the previous three are standing true. So we feel that we are four stronger than when last reporting and our spiritual condition is good. Our pastor is faithful and gives us some good straight preaching, but we feel there is a hinderance somewhere and we are not getting up the

road as fast as we should in the things of God. Our attendance is not as large and not as much interest is being shown on the part of those not connected with the church. We know our pastor is a man of God and we believe if we keep true there will be a breaking up time here, and folk will get saved. We still hold our usual meetings through the week and on Sunday and God blesses us. We believe it is our turn to entertain the next Quarterly and we take this opportunity to invite you to meet with us at Jonesport at that time. We trust that this quarterly will be a success and that many souls will find God.

LEOLA BARNES (Clerk)

Wood Island: Dear Brothers and Sisters: In welcoming you to our midst for this Quarterly Meeting we greet you in Jesus' name. In making our report, we feel to say that through God's great grace and kindness He has preserved us as a church, where we are being blessed and kept by Him, and have the purpose to live so that He will be glorified by our living. We are but few in number, yet claim God's favor and He verifies His word, by being in our midst as we meet together. There have been three or four brought back into the fold since our last report. We feel grateful to God the Father for these tokens of His favor. Mean to stand together for work and the advancement of His kingdom through Jesus Christ His son. Trust this meeting will be abundantly owned and blessed of Him.

EUGENE WILCOX (Clerk)

Saturday evening at 8 p. m. Rev. Dr. H. C. Sanders brought us a very good message from Rev. 20th Chapter. He used as his theme "We Need Jesus."

Sunday was a wonderful day. At 9 a. m. the Love Feast was lead by Brother Bruce from the Alley's Bay Mission. The Scripture reading was from the 15th chapter of St. John. God wonderfully blessed all those who attended.

Sunday morning at 11 a. m. Brother H. S. Wilson brought us a very inspiring message from Matt. 5:20. God help us as a church to have our righteousness exceeding that of the scribes and pharisees.

Sunday afternoon at 2 o'clock Sunday school. A good time was enjoyed by all.

Directly after Sunday school Brother Sanders had a children's meeting.

Sunday 3 p. m. Sunday school convention. Just before the evening service a goodly number gathered at Brother Percy Greene's home for praye. One soul prayed through and found God. This was a wonderful time and God's power was surely felt at the time.

Sunday evening Lic. Fred Anderson brought the message from 1 Kings 18:24. His message was well delivered. God honored us again with His presence and saved two more souls.

Folk testified to the fact that this was the best Quarterly Meeting that the District has held in a long time. We trust that the good work will be kept up, and we believe that folk should make an effort to attend these meetings when possible for the sake of the work, for the blessing of their own souls and by blessing all those they come in contact with.

Your sister in Christ,

LEOLA BARNES, Secretary

## OBITUARY

Mr. Frank Calder Jr.

On Friday, April 24th, Mr. Frank Calder Jr. passed to his eternal reward at the age of 44 years, at his home in Fairhaven, Deer Island, following an illness of pneumonia, of about two weeks' duration. He leaves to mourn, besides his widow, formerly Miss Emma Wilcox, of Black's Harbour, his parents, one son, Paul, and one daughter, Cora; five brothers, George, Horace, Walter, Clarence and Archie, all of Fairhaven; and two sisters, Mrs. Harold Terris, of Fairhaven, and Mrs. George Call, of Eastport.

Mr. Calder was twice married, his first wife who predeceased him six years ago, having been Miss Lois Lord, of Lord's Cove. The children referred to above were by his first wife.

Mr. Calder was a member of good standing of the Reformed Baptist Church, of Black's Harbour. The funeral was held from the United Baptist Church of Fairhaven, and was conducted by Rev. J. W. Hayter, assisted by the writer. Interment was at Calder's Head cemetery.

To the sorrowing ones we extend our sympathy.

T. A. ANDERSON

Irma Blanche Titus

On the morning of June 4th our community was shocked by the unexpected death of Irma Blanche, wife of Watson Titus, at the young age of twenty-nine years. The deceased had undergone an operation in the Chipman Memorial Hospital at St. Stephen, for appendicitis, a few days previous to her passing. She apparently was recovering from the operation quite favorably, but on the seventh day took an ill turn which terminated in her death. Her husband and mother were able to be at her bedside during her last moments. Mrs. Titus was the only child of Arleigh and Martha (Ramdell) Joye, of Seal Cove.

She leaves a family of three, two girls, Queenie, aged nine and Juanita, aged seven and a little boy aged two.

Mrs. Titus was converted and sanctified wholly in our revival services four years ago. She united with the Reformed Baptist Church in the autumn of last year. Since her conversion her progress as a Christian has been marked. She was a member of the choir and her messages in song were much appreciated by all. As a church, we have sustained a great loss.

The funeral service was conducted by the writer, assisted by H. S. Wilson. Interment was made in the Seal Cove cemetery. The large crowd gathered from all parts of the Island, gave silent testimony to the high esteem in which the deceased was held. The sorrowing ones have our sincere sympathy in their sadness.

## MARRIED

Colpitts—Alward

A pleasant and interesting event took place at the home of Mr. and Mrs. Millege Alward, of Steeves Settlement, N. B., when their eldest daughter, Bessie, was united in marriage to Lloyd Colpitts, of Petitcodiac.

Even though it was a late hour when the pastor arrived to officiate, the house was filled with friends and relatives, and a very pleasant time was enjoyed by all.

The bride is a member of the Killam's Mills Reformed Baptist Church and has been a very faithful and devoted member.

All join in wishing Mr. and Mrs. Colpitts a very happy and prosperous life.
