

CORRESPONDENCE

Millville, N. B.

Dear Editor:

Please find enclosed, renewal for the Highway, and \$1.00 for the Highway Supplementary Fund.

MRS. JOHN BLANEY

Woodfords, Maine.

Dear Brother Trafton:

Enclosed please find one year's subscription for the "Highway". I enjoy reading it. My dear mother, who went home to Heaven last June, loved this Holiness paper and took it over thirty years, and she subscribed for it for our family knowing it would be a great help and blessing.

Very truly,

MRS. THOMAS M. BUTLER

Sedro Woolley, Wash.

Dear Brother Trafton:

We have escaped the flu or a bad cold all winter, while there has been many cases of it all around us.

We are getting lots of rain yet.

Will send one dollar, you can use it in any way you think best for the Highway, only wish it could be more.

I thank God for His love that found me and made me His child.

Your sister in Christ,

MRS. ALEX JOHNSTON

Calgary, Alta.

Dear Brother Trafton:

Just a few lines to get you to change my address on the Highway. The last paper I got was the 15th of February. Mr. Davis has been sick since last August, so there is not much surplus money on hand, but am trusting in God to supply all our needs.

I remain,

MRS. OSCAR DAVIS

Pictou, N. S.

Dear Brother Trafton:

Please find enclosed my renewal. I could not get along without the Highway and find the missionary letters very interesting.

Please send paper addressed to Main-a-Dieu, C. B., for the next three months or until further notice.

God is blessing my soul. I find his presence always with me. Trusting you and yours are well,

MRS. J. W. MURDOCH,

Black's Harbor, N. B.

Dear Brother Trafton:

I thought some would be interested in a report of the missionary society of this little church that has been planted in God's vineyard. We have about thirty members enrolled. Following is a report of our last monthly meeting:

On March 30th missionary meeting opened with Brother F. A. Anderson presiding. Three hymns were sung by the congregation, followed by a number of prayers. Roll call was given by secretary. Twenty members responded. Missionary collection amounted to two dollars. Regular church collection was then taken by ushers. A quartet sang a hymn, "Send the Light."

Scripture lesson from Acts 16:9 was read by Brother Anderson after which our Brother

Anderson gave a most interesting talk on Life in Foreign Lands and Heeding the Macedonian Call. A testimony meeting followed and a hymn sung, then we were dismissed by Brother Anderson.

Our church is progressing and the testimonies full of victory. Praise be to Jesus. We are all praying for the work of His kingdom.

Wishing success to the Highway, I am,

Your sister in Christ,

MRS. CHIPMAN LESLIE,
Secy. of Missionary Society

WALKING WITH GOD

"And Enoch walked with God; and he was not; for God took him." What a blessed walk! What a glorious translation! Oh, the blessedness of those who are rich because of companionship with God! Enoch was in tune with the Infinite." "A drop of ink makes millions think." The record of Enoch's life contains an ocean of meaning in a drop of language." Writing of an eminent Christian lady after her death, one said: "She made life pleasant." Enoch pleased God." It is not recorded in a funeral sermon; or on a marble slab in the cemetery. It is engraven on the pages of imperishable history. God craves human companionship. He wants you for a companion and life long friend. Jesus came from God; lived for God, and went to God. "He has left an example that we should follow in His steps." Enoch made the translation of God's thought into everyday life the supreme business of existence. A minister in preaching a funeral sermon said that "those having families owed it to them to so live that when they went out of life those left behind would have no doubt as to where they went."

Yea, more! We owe it to the world as far as we may influence it. After seeing Africa, Livingstone said: "Lord, help me to paint this dark continent white." Kagawa aspires to win a "million souls for Jesus Christ." There is ample room for an overflow of New Testament Christianity in all the churches. Whoever would be great let him live to serve. All born of the Spirit are brethren; not supermen. "We need no one outstanding men except the blessed Son of man forever in our midst." "My Saviour comes and walks with me" may be our song.

THE BIBLE, GOD'S GREAT GIFT TO MAN

This miraculous book that I now hold in my hands, is the book of all books. It is luminous with light that dwelleth not on land or sea. The noble and most beautiful in all the world. It has made the un-made nations. It has uprooted kingdoms and empires and diverted the mighty tides of history. Crumbled ancient faiths and superstitions. It has stopped the flood gates of iniquity and with the influence of its holiness it has cut a channel of sparkling splendor from the fall of Adam to the present time. The only thing that will make the nations of the world and the families of America a praise in the earth is the conquest of his truth. It is only ignorance that scoffs at the Bible, the great rulers, the great statesmen, the greatest scholars, writers, orators, scientists, soldiers, and the untold millions of the common people, have been thrilled to the very

soul by its divine wisdom, and we join hands and heart with George Keith and sing "How Firm A Foundation Ye Saints of The Lord, Is Laid For Your Faith in His Excellent Word."

The Bible is God's message to man. It has made known to us the character and will of God, and His purpose of love to our sinful race. The Bible is the only perfect and authoritative rule of life and conduct. It is the standard of highest moral teachings. The Bible is the greatest source of comfort to sorrowing hearts burdened with trouble or fear. The Bible is the only source of light for mortal man, upon his own future destiny and upon the life beyond the grave. The Christian religion is not learned by logic and reason but by experimenting life and living. God's love as revealed in His word comes direct to our hearts through Jesus Christ our Lord. In the realm of Religion there is a method of proof which is open to every-one to apply for himself. Its treasures are only found by those who search for them with all their heart by study, prayer, and sincere purpose to do the will of God. We owe it to the Bible that we should receive it with personal faith, appropriate its message to ourselves, and put our names in every promise; for its doctrines are holy, its precepts are binding, its histories are true, and its decisions are immutable; we should read it to be wise, and believe it to be safe, and practice it to be holy. It contains light to direct you and food to support you, and comfort to cheer you. It is the traveler's map, the pilgrim's staff, a pilot's compass, a soldier's sword, the Christian's character. Christ is her grand subject, our good its design, and the glory of God its end. It should fill the memory, rule the heart, and guide the feet; we should read it slowly, frequently, and prayerfully, for it is a mine of wealth, and a paradise of glory, and a river of pleasure. It is given to you in life, will be opened in judgment, and will be remembered forever. It involves the highest responsibility, and will reward the greatest labor, and will control all who trifle with its contents.

Thank God for the scarlet chain of prophecy that binds together the grand old book. It is given to our homes, a hope that is sure and steadfast. It is an anchor to the soul. It will line life's darkest cloud with a golden touch of infinite glory. It will give you beauty for ashes, and the garment of praise for the spirit of heaviness, and enable you to look up in the darkest hour and sing, Hail Thou Once Despised Jesus, Hail thou Galilean King, Thou has suffered to Release Us, Thou Didst Full Salvation Bring. Hail Thou Agonizing Saviour, Bearer of Our Sin and Shame, By Thy Merit We Find Favor, Life Is Given Through His Name.

If you have a question His word will answer it. If you have a problem His Presence will solve it. If you have a burden His power can lift it. If you have sins He will forgive them. Come with your sorrows and come with your disappointments, come with your losses and come with your crosses, come with your reverses and come with your consuming grief and pain, Jesus said: "Come unto Me all ye that labor, and are heavy laden, and I will give you rest." Jesus Christ, the Son of God is a solution for every problem in your life. God bless you, tell it to Him.

This address was given over WNAC at the Morning Watch, Feb. 22nd, 1932, by Rev. Gilbert M. Laite.
