CORRESPONDENCE

Fredericton, N. B.

Rev. P. J. Trafton:

Enclosed find the renewal for the Highway. I enjoy its clean pages; it blesses my soul. I am still trusting in God. He surely blesses my soul from day to day. I can truly say the anchor holds and by His grace I mean to hold out to the end.

MRS. FREDERICK LYONS

Millville, N. B.

Dear Highway Friends:

We are coming to you again with a report of the special services at Lower Hainesville. We began with Brother and Sister Mullen, June 12th and continued over three Sundays, closing June 26th. We considered our brother at his best at

Maple Ridge, but I think he surpassed even that in this meeting. Our sister preached with conviction and sang to bless each service.

Our brother preached to a large audience each night made up of people from the surrounding communities. A revival spirit was felt throughout the entire meeting.

We appreciated the presence of those from Burt's Corner, also the services of Miss Audrey Brawn during the meetings and Brother DeLong and Sister Young from Fredericton on the last Sunday.

During the services fourteen knelt at the altar for pardon or reclamation, all praying through to victory. Five sought and found cleansing of heart. Sunday, the 26th, two young ladies went forward in baptism. These two with a young man, united with the church in the evening service.

God visited Lower Hainesville at this time, moved on many souls, some yielded, but rejected His call. I believe that these were more than special meetings, it was a reviving of God's work in this part of His vineyard. Millville felt its effect as two were saved in the meetings from there.

May God richly bless Brother and Sister Mullen in their labours and give them many souls for their hire.

S. G. HILYARD

BEDDING FOR BEULAH

1 quilt, from Victoria Sunday School; 1 quilt for Beulah: In memory of Mrs. Charles Knox, Mrs. Allan Nason, Upper Hainesville, N. B. 1 quilt, Mrs. John Hull.

Dear Brother Trafton:

I saw by the last Highway, a suggestion by Sister Baker, that those who were at Beulah Campmeeting the first year, send in their testimony, so I thought I would comply with her request.

I was there that year all through and only twice since for a few days, as I have been living around Boston all these years. I was a Methodist and not a Reformed Baptist, but belonged to the little holiness band out of which the Fredericton Reformed Baptist Church grew. These have been wonderful years of privilege in the things of God. But I got my start in New Brunswick when Brother Joshua Gill came down there and preached holiness, and so when I came to Boston, I sought out Brother Gill, and the work he started here, and have been a member of the Evangelical Church ever since. The last two years have been years of pain and weariness which have deprived me of the privilege of fellowship with the saints in the House of God, a deal of the time, but I find His grace sufficient to carry me through. I did not expect to be here now, but my Saviour still has lessons to teach me. But some day I shall be where there will be no more pain.

Yours washed in the blood,

MRS. WILLIAM GOSNELL,

Nee, Emily White, 61 Prospect Street,
Cambridge, Mass.

Millinocket, Me.

Dear Brother Trafton:

Enclosed find my renewal to The Highway, as I do not want to do without it.
