

CORRESPONDENCE

Westchester, N. S.

Dear Mr. Trafton:

Enclosed you will find order for renewal for the Highway. We would feel lost without the Highway coming.

We have a lot to praise God for. There seems to be so much sickness and sadness on every hand.

May God's blessing be upon you in your good work.

Sincerely,

MRS. G. C. DOYLE

Dear Brother Trafton:

Greetings in the name of the Lord. It has been some time since we have sent a report from this branch of the work, but we are glad to be able to report victory through Christ our Lord.

As a whole the work has been going well here, and although the enemy has tried to interfere at different times, God has always given the victory. Praise His name. Since July we have had eleven seekers bow at the altar, and claim the victory, four of these were seeking the baptism of the Holy Ghost. One sister has left our church as she was going away and wanted to join another, but another sister has joined us, keeping our membership the same.

Last fall the women of our church started a praying band, which meets every Monday evening at the home of one of the sisters. This is no doubt a big help to our work, and we praise the Lord that there are still some women who are interested in God's work, and know how to pray.

Last Sunday at the close of the Sunday School hour I was presented with a gift of ten dollars by the Sunday School. I greatly appreciate this gift and heartily thank these people for their kindness.

We are glad to read the reports of victory from the other churches. Let the Lord be praised for His goodness to His children. Please remember the work here in your prayers.

Yours in Christ

Rev. P. J. Trafton:

Find enclosed Postal Note, renewal for Highway. You are making it a snappy paper. I tell wife that some copies are worth the subscription price.

All well. Hope you and yours are well.

I am yours fully trusting in Jesus.

Dear Brother Trafton:

We are glad to report victory. I surely enjoyed the privilege of laboring with Brother Bennett Cochrane in our recent revival at Port Maitland, N. S. Brother Cochrane sings in the Spirit and is a man of prayer. It was a delight for me to labor with Rev. H. E. Mullen and his good people again. Brother Mullen is a true and faithful shepherd, and his people in Sandford and Port Maitland know how to carry a real burden for souls. Brother Cochrane and I received splendid entertainment at the home of Brother and Sister Frederick Sollows.

Since I returned home we have had a real stir in our meetings. On the Sunday evening of February 21st, we had five at the altar in the Belvidere Church. There were five more at the

altar in Belvidere on Sunday afternoon, February 28th, and one at the altar in Crystal that same evening.

Yours for souls,

G. A. ROGERS

To the Highway Family:

If any of the Highway friends heard the Rev. Gilbert M. Laite on the air, at the Morning Watch, the week of February 22nd to 27th, inclusive, and would like to hear him again, please write to the Boston Y. M. C. A. station W.N.A.C. stating the fact, as that is the way they judge the speakers the public want. He is anxious to reach as many as possible with the message of full salvation.

Yours sincerely

ALICE M. LEWIS

Meductic, N. B., March 8, 1932

Dear Brother Trafton:

We would like to thank the Meductic people, through the columns of the Highway, for their kindness to us of late.

On Tuesday evening, February 23rd, a number of the village folk gathered at the Parsonage for a donation. A very pleasant evening was spent singing hymns, and chatting socially. After a lunch was served by the ladies, the pastor tried to express in words his appreciation to them all for their thoughtfulness, and in a few words of prayer invoked God's blessing on them for their kindness to us. The company left for their homes about 11:00 o'clock, leaving our kitchen table well laden with good things to eat, besides a generous sum of money.

We feel some mention should be made of our recent meetings here in Meductic. Sorry we cannot report large numbers finding God for such was not the case. Our brother, Rev. H. S. Mullen preached well and faithfully and God owned the truth by convicting many hearts. Only a few made any move, and we fear they did not get far, because they were unwilling to pay the price. We expect to have Brother and Sister Mullen for a meeting at M. Southampton beginning April 24th, D. V. Pray much for this meeting dear readers, a Revival is greatly needed on this field. Brother Mullen makes a splendid Home Missionary, and we are sure he will do his part.

Yours, with heart and soul in the work,

Dear Brother Trafton:

Enclosed find renewal for The King's Highway.

The Lord is blessing us both in soul and body, and we praise him for the cleansing blood, that saves from sin. Bless His dear name forever.

Dear Highway:

Just a few lines from your home missionary. I have not reported since I got through at Killam's Mills. From there we went home for Christmas at Havelock, N. S. We had a very blessed Christmas, though not in pastoral work, where our church would come in and make us a fine donation, still we were not forgotten. We had a lovely turkey given us and two very fine chickens, and we do surely thank the donors. We received many cards and booklets and gifts for which we thank all.

After Christmas we went to Central Wood

Harbour for three Sundays. Wife was with me two of these Sundays. We had a gracious time there. Our crowds were not large, but when we think of the very cold weather, wind and snow, we felt they turned out well.

We saw eleven souls pray through to victory for which we praise the Lord. We found some very fine people there. I understand the work is going strong there under the leadership of Rev. L. J. Sears, whom we were very glad to assist at that place. I believe there is a bright prospect of a good work there in the future.

Our next meeting was with Brother and Sister Cwen at Meductic. We were with them for four Sundays. I enjoyed very much being in their home and also assisting them in the work of that place. They are a very fine couple. Our souls were blessed listening to their fine duets they rendered during the campaign. I feel that God is going to make them a great blessing to that field and anywhere they may be led to labour. We were all disappointed in seeing so few find their way to God but we thank God for the few who were at the altar. We all felt, however, that the meeting was a profitable one. There was much conviction on hearts and we are believing that the seed sown will yet spring up and bring forth fruit to the glory of God.

At this writing we are at Marysville, N. B., with our dear Brother and Sister Sabine and these dear people assisting once more in an evangelistic campaign. Already God is manifesting Himself and seven souls have found their way to the altar of prayer while several others have requested prayer.

We have an open date between this meeting and our meeting at Middle Southampton. Any one wishing my assistance please write my home address, which is Havelock, Digby Co., N. S. Mrs. Mullen is there and will forward it to me wherever I may be. God bless you. Please pray for us. We want souls for His glory.

Yours most truly,

H. S. MULLEN

P. S.—Our meeting at Middle Southampton begins April 24th, to continue over May 15th. Then we go with Rev. S. G. Hilyard May 18th to continue over June 26th. So we just have that one open date this year.

AN APPEAL

Since our editor wrote his editorial on Missions, asking our people to do their best in giving to this phase of our work, we have had a cablegram from Brother MacDonald, our Missionary in South Africa, asking for special help in an emergency. He asked for £50 to be cabled to him immediately. The cablegram said that a letter of explanation was following.

The treasurer of the Mission Board tells me that these extra expenses together with the expense of helping a home missionary in the field is rapidly depleting our mission money. We expected that when we put a home missionary in the field that there would be a hearty response on the part of some who have been asking for such a man.

Now beloved let all the societies do their best to raise all the money they can for this time of special need.

Please send all mission money to Rev. I. F. Keirstead, No. 1-A Carleton Street, Saint John, N. B.

H. S. DOW, President.

P. S. They are suffering from famine in South Africa, because of a long drought, which means no crops.
