A REAL NEED

We need your renewal at this time, so please do not disappoint us. Do not discontinue but support the cause of holiness in this way.

P. J. TRAFTON

Editor

Every one of us knows how painful it is to be called by malicious names, to have his character undermined by false insinuations, to be overreached in a bargain, to be neglected by those who rise in life, to be thrust on one side by those who have stronger wills and stouter hearts. Every one knows, also, the pleasure of receiving a kind look, a warm greeting, a hand held out to help in distress, a difficulty solved, a higher hope revealed for this world or the next. By that pain and by that pleasure let us judge what we should do to others.—Dean Stanley.

BEULAH NOTES

Summer being ended, the last sojourners have taken their departure from Beulah Camp Ground after having spent a very pleasant vacation. Among the last to leave were Mrs. S. A. Baker, Mrs. Robert Barr, Mrs. Bertha Dow, Mrs. I. F. Keirstead and Mrs. C. K. Short and family.

The services held in the Tabernacle during the summer were well attended—the people being courteous and attentive, cooperating to their success. On the last Sunday services were conducted by Rev. I. F. Kierstead with much profit, the good attendance being maintained.

The Sunday School was also very profitable, and the prayer services seasons of refreshing and blessing.

Beulah always attracts a goodly number of strangers who pass through the grounds daily.

Through the courtesy of J. F. Bullock the Sunday School picnic was held on his beautiful grounds where all were made welcome. There were races and games for the children, the winners receiving suitable prizes.

Nine girls and one boy were presented with beautiful Bible pictures by their Superintendent, Mr. Bullock, for memorizing the ten commandments during the summer.

One small girl received a beautiful bouquet of flowers and a box of chocolates, the occasion being her birthday. About sixty members of the S. S. and guests greatly enjoyed a bountiful picnic supper, which ended up with ice cream.

Many hearty expressions of thanks were extended to Mr. and Mrs. Bullock for their kindly generosity.

LIFE IS LIKE THAT!

Ought we complain when times are hard,
And paths are smooth no more?
Of God, who made the Heaven and earth,
The God of Peace and War.
Can we condemn without a cause,
The one who's turned astray,
Or can we think ourselves above
And turn our heads away?

The Christian's path has many a turn;
It never is the same,
Perhaps we're tried for our own good,
Then who deserves the blame?
Did Christ find things first to His will,
Were there not winds to cease?
But Christ lived on without dissent,
His way was one of peace.

So Christian friend, remember this,
That we must keep good cheer,
Perhaps today the things that hurts,
Will be removed next year.
Each day will bring an obstacle,
To test, and try, and blame,
We ought to pray to God on high,
And not put Him to shame.

The only way that a man can make himself worth the room that he takes up in the world is by furnishing to the Lord's use a man's weight behind the purposes that the Lord has set out to accomplish.—Presbyterian Record.

Miss Blanche Young, of Fredericton, spent some time recently visiting her sister at Benton, Me.
