WHAT SOME OF OUR FRIENDS SAY ABOUT US

BEULAH CAMP

This Camp Meeting held by the Reformed Baptist Church in Canada is a spiritual holiness camp. It is a real inspiration to an evangelist to labor in such a camp. The people really love God with all their heart and powers, and love old time holiness teaching. Their ministry are blessed men of God.

One of the sweetest periods for years was my stay at this camp this summer. How I thank God for such a holiness camp in the Dominion, in Eastern Canada, all alone yet not alone, standing for real second blessing holiness, clean and straight.

The Camp Ground is beautiful. It makes one feel as he walks around it that he is visiting Palestine. Here is "Hallelujah Walk", "Glory Avenue", "Praise Walk", "Lake Galilee", "River Jordan", "Jacob's Well", "Brook Kedron", "Jacob's Ladder", "Mount Olivet", etc.

It is situated on the St. John River, a very beautiful spot.

The Gospel Tabernacle on the hill top has a large seating capacity, and was often filled to overflow.

May God bless this splendid holiness church, and give them New Brunswick, Nova Scotia, Prince Edward Island, Maine, and on and on, into Quebec, and join hands with us in Ontario!

We wish them every success in the spread of Scriptural holiness over the land.

KEEP ON SHINING

A judge who had been frequently annoyed by the sneers of a conceited lawyer was asked why he did not sharply rebuke his assailant. He said: "In our town lives a widow who has a dog which, whenever the moon shines, goes out upon the steps and barks and barks at it all night." Stopping short, he went on with his conversation. Finally one of the company asked: "But, Judge, what about the dog and the moon?"

"Oh," said the judge, "the moon went on shining, that was all."

If I am one of the children of light, I must shine. Though dogs may bark, I must go on shining; that is all!—Canadian Free Methodist.

And a better thing to do:

Is to work with the Construction Gang,

And not the Wrecking Crew. —Selected.
