"Let no man despise thy youth"—Titus 2-15

During our Quarterly Meeting of District No. 2, convening at Westchester, the Young People had charge of one service on Sunday from 6 o'clock until 7 p. m.

This meeting was led by Sister Iola Mitton and was opened by singing and a season of prayer. A duet, "Jesus Is Leading Me" was sung by Hilda Doyle and Hazel Webb, after which a very helpful Scripture lesson was brought by Sister Mitton from the 15th chapter of St. John, on Christ's parable of "The Vine and Branches", showing the necessity of abiding in Christ, the true vine, and of the utter impossibility of bearing good fruit without first receiving divine sustenance. As Christ glorified His Heavenly Father, so he expects us to glorify Him by allowing the husbandman to prune and purge the branches that we might bear "much fruit".

Meeting was then opened for testimony in which the older folk took part as well as the young people of different Societies.

Meeting was closed by singing a hymn, and benediction was pronounced by Brother Sears.

The members of the Reformed Baptist Young People's Society of Westchester extend greetings to the Young People's Societies of District No. 2, convening at Westchester.

During the summer months our attendance has dropped away considerably, partly due to the absence of several of our members, but we are not discouraged, knowing our God is able to do exceeding, abundantly above what we can ask or think.

Our Junior Group meets every Wednesday evening. They manifest a keen interest and show good attendance. This group ranges in age up to 14 years and is led by their President Sister Helen Doyle.

Our Senior Group of Young People with Sister Hilda Doyle as President, meets each Friday evening. The young folk take turns in leading the services while all take part in prayer and testimony.

We have adopted the "20-cents-a-week pledge", and have one member pledged toward "Self-denial Fund". We have adopted the Constitution recommended for individual Societies and our membership now stands at 17 members. "The Crusaders".

HAZEL WEBB, Secretary.

Moncton, N. B., Aug. 25, 1933.

Greetings to our Young People in Christ. Our Society rejoices to report success since the last Convention.

Our meetings are interesting and helpful to the Young People. We are sorry to have lost our Presidents, Miss Marguerite Trafton and Miss Reta Long, but pray and hope that they may be useful in their new spheres. We enjoyed the program of the Reformed Baptist Male Quartette and felt their good influences. We are enjoying our new pastor, Rev. H. S. Dow, and are trusting God for help and direction in the Young People's work.

LOIS MacCALLUM, Secretary.

September, 1933.

Greetings from the Amherst Young People's Society!

We are still rejoicing in the truth that Jesus saves, sanctifies, and satisfies, and that through Him victory is our.

Our meetings are well attended for the summer months, inspiring to us, and though there are no visible results the Spirit of the Lord brings conviction to hearts.

During Tent Meetings conducted in Amherst by our Pastor, our weekly Young People's Meetings were discontinued and our young people took their musical instruments and went out in street work. These meetings as all others, were under the supervision of our church and pastor.

Westchester, N. S., Sept. 8, 1933.

Dear Fellow Workers in this great work of Sunday Schools, of District No. 2, in annual session. Another year has rolled by and we are called together once more to reorganize for another year. During this year one new school has been organized at Mercer Settlement. The other schools seem to hold up the average attendance, and are all progressing. This of itself is of good encouragement. We have a good staff of teachers in our Sunday Schools, who take great interest in teaching the word of God and imparting it into the hearts and minds of the scholars, especially with primary and junior classes. The interest is good in all our Sunday Schools and the Bible is being studied and memorized more and more. "Our Sunday School work is surely the work of the Church". The following churches reported: Grey's Mills, Killam's Mills, Amherst, Moncton, Miller's Corner, Head of Millstream, Mercer Settlement, Saint John, Westchester. Respectfully submitted,

R. H. PARKS, Sec'y.

Resolved that the matter concerning formulating a plan of study for our Sunday Schools and the catechism be laid over for the next Convention.
