**GOING ON.**

There is no standing still if folk maintain their fellowship with God. The children of Israel must keep on the march through the wilderness country if they would reach Canaan, then there must be an aggressive campaign in order to occupy that land promised to them, they must go on until all the enemies were driven out. God had said, every foot of land that you place your feet upon shall be yours. There was no resting after they had crossed the Jordan river; there was hard fighting ahead. We have an example in Caleb of the spirit of conquest and victory. We sing many times, "Much land ahead to be possessed, I'm going on," that sounds fine in singing but is it actual experience?

We trust that the past year has been one of progress and advancement on the part of the children of God.

The Apostle Paul writing to the Hebrew Christians exhorts them to go on unto perfection. This is the duty and obligation of the folk who have professed to be born of the Spirit, to go on to receive the fullness of the Spirit, or perfection in love. So many stop short of God's objective in their lives, that their lives are not satisfactory to themselves, and hence they do not have courage to recommend what they have to some one else, and in consequence the work is held up. What do you think would take place in this old world if the church of the Lord Jesus Christ would go on to receive the gift of the Holy Spirit? We venture to say that the corner of depression would be turned and nations would be born in a day.

Then we are to go on unto the perfection of the resurrection out from among the dead. Paul exhorts the Philippian Church in this regard. Forgetting the things which are behind and reaching forth unto those things which are before. I press toward the mark for the prize of the high calling of God in Christ Jesus. Let us therefore, as many as be perfect, be thus minded; and if in anything ye be otherwise minded God shall reveal even this unto you." Phil. 3-13, 15.

Here is where the growth in grace comes in. It takes a strong determination, mighty will power, super-courage and tremendous heart longings to overcome our mistakes, errors in judgment, lack of wisdom, imperfection in action, etc. While these are not sins, yet the enemy takes advantage of them to undermine our confidence in God and dis-

On Sunday, January the 8th, 1933, Mr. and Mrs. Oliver H. Trites, of Berry Mills, N. B., quietly observed the 52nd anniversary of their wedding. They were the recipient of many tokens and expressions of good will from relatives and friends far and near.

They were married at Boundary Creek, N. B., by Rev. W. W. Corey, January 8th, 1881. They have resided all their married life at Berry Mills, and of a family of five children, four survive. They are: Mrs. S. N. Grass, of Moncton, N. B.; Mrs. Walter M. Steeves, of Hillsboro, N. B.; Mr. Everett Trites, of Moncton, and Mr. Beecham Trites, of Berry Mills.

Mr. and Mrs. Trites are Charter members of the Reformed Baptist Church of Lutes Mountain, and have always taken a keen interest in the spiritual welfare of the community. Mr. Trites has for many years filled the office of deacon in the church and his

courage us in our efforts. There must be a willingness on our part to confess our blunders and failures, mistakes and errors in judgment. This will help us to improve in these lines. While in this life there should be progress, we should be more and more like Jesus. Purity must precede maturity. Folk get the wrong idea, they think purity then heaven, emphatically no! Purity then expansion, growth in grace, going on unto the resurrection perfection.

**CORRESPONDENCE**

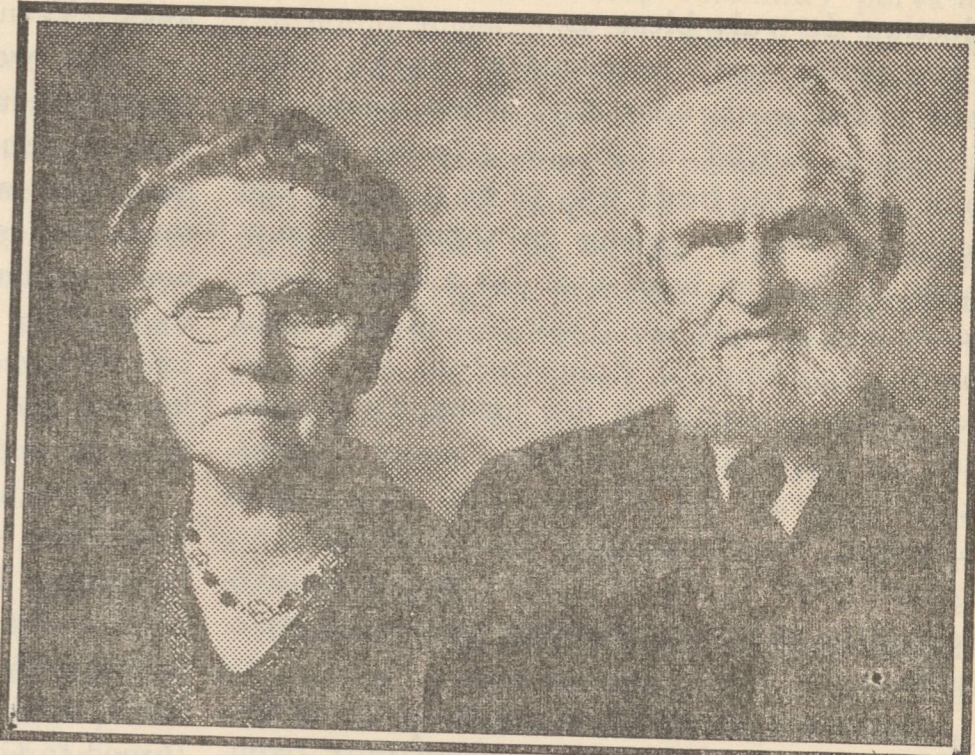

Lower Millstream,  
Dear Highway Readers: Jan. 10, 1933  
Since last reporting from this part of the vineyard we have been engaged in two special campaigns. Brother H. S. Mullen gave you a report of the meeting at the Head of Millstream. We surely did have a good time there. God richly blessed our Brother's messages. Seven new members were added to the church and there are more to unite soon. We made one mistake and that was in closing too soon.

We did not see the results from the meeting at Killam's Mills that we would have liked to have seen, but the converts of last Spring were richly blessed and the work in general built up. We extended the right hand of fellowship to two new members in this church. This meeting we believe would have been a better one had we began earlier in the season but this was impossible. The financial part of these meetings was the hardest but we labored not for silver or gold but for souls.

At Christmas we were kindly remembered by several on the field. Especially I want to mention the Church at Killam's Mills. Many of these folks are poor and their kind remembrance was much in accordance with the spirit of Peter and John, when they turned to the lame man by the "Beautiful Gate" and said, "Silver and gold have I none but such as I have give I unto thee". A week before Christmas my car was loaded with potatoes, three nice chickens, a fine fat turkey, pickles, preserves, mincemeat, butter eggs, fresh pork, beans, buckwheat meal, sugar, tea and cake. We are indeed grateful to these people in thus remembering their pastor and family in this way.

Some of the folk in other parts of the field remembered us in a similar way. Sister Alexan-

efforts to uphold the cause of holiness, has been untiring. They are both enjoying fairly good health at present, and the hope of eternal life beyond. We wish for them many years yet of good health and happiness.

der Hayes at the Head of Millstream gave us a fine large turkey.

On the Thursday evening before Christmas Brother Noah Hicks and daughter, (Sis. Marks), invaded our home and left us the richer in produce and cash by about twelve dollars.

Also we as a family were remembered by Sister Walter Long through the mail by fourteen dollars in cash, remembering the pastor and his wife with the usual five dollars each and each one of the children with one dollar each.

We were also very kindly and pleasantly remembered by gifts or cash by Brother and Sister Leslie Hayes, Brother and Sister Patton and by Brother and Sister Douglas Hayes.

We do thank each and every donor for their kindness and thoughtfulness at this time.

We also received cards and letters with kind wishes and words of sympathy from others of our denomination, not of this field, which we very much appreciate.

We have been very fortunate in having with us my wife's sister, Mrs. Brownrigg, since our bereavement. She and Dr. Brownrigg and Miss Retta Taylor, of Killam's Mills, spent Christmas with us.

Wishing every church member in this field and also every member of the Highway Family, a Happy and Prosperous New Year, I will close,

Yours in His service

S. A. MULLEN

P. S. We find that Lr. Millstream is by no means a healthy locality for one who suffers from asthma and for the sake of Mrs. Mullen's health, we feel that we will possibly be compelled to leave this field and dear people we have found so congenial to labor with these three years. If the Lord opens a way for us to make a move, we feel it will be His will for us to move even though we do not feel that our work here is by any means completed.

Dear Highway: January 10, 1933

Greetings in Jesus' name! Since last reporting, the old year has fled and we have entered upon a new year. We want to thank God for 1932, it was one of the best years of our Christian experience. God was with us all the way through. Gave us a gracious time in Him, but we want this year to be better still.

We want to thank all who remembered us at Christmas time with their cards, letters, and
